A Cultural History of Animals in the Medieval Age Brigitte

Resl, 2009-04-01 A Choice Outstanding Academic Title 2008 A Cultural History of Animals in the Medieval Age investigates the changing roles of animals in medieval culture economy and society in the period 1000 to 1400 The period saw significant changes in scientific and philosophical approaches to animals as well as their representation in art Animals were omnipresent in medieval everyday life They had enormous importance for medieval agriculture and trade and were also hunted for food and used in popular entertainments At the same time animals were kept as pets and used to display their owner's status whilst medieval religion attributed complex symbolic meanings to animals A Cultural History of Animals in the Medieval Age presents an overview of the period and continues with essays on the position of animals in contemporary symbolism hunting domestication sports and entertainment science philosophy and art

Shakespeare's Hobby-Horse and Early Modern Popular Culture Natália Pikli, 2021-08-26 This book explores the ways in which the early modern hobby horse featured in different productions of popular culture between the 1580s and 1630s Natália Pikli approaches this study with a thorough and interdisciplinary examination of hobby horse references with commentary on the polysemous uses of the word offers an informative background to reconsider well known texts by Shakespeare and others and provides an overview on the workings of cultural memory regarding popular culture in early modern England The book will appeal to those with interest in early modern drama and theatre dramaturgy popular culture cultural memory and iconography

Animals on the Edge Katja Falt, 2023-12-31 Was there a horse sense in the medieval period Why did word licking dogs inhabit manuscript borders The seven intriguing articles in this publication explore animals on the edge and the boundaries between humans and animals These articles provide insights into the discussions in animal studies and medieval studies about the multiple roles of medieval fauna challenging our understanding of how animals were understood in the Middle Ages The authors of the articles demonstrate how humans have always constructed animals but also have been constructed by animals The examples are drawn from manuscripts fables textual and visual accounts as well as material culture This publication raises interesting aspects about the profound and ambiguous relationship between animals and humans edges and boundaries hybridity and anthropomorphism ideas and identities

The Norse Sorceress Leszek Garde?a, Sophie Bønding, Peter Pentz, 2023-08-24 Old Norse literature abounds with descriptions of magic acts that allow ritual specialists of various kinds to manipulate the world around them see into the future or the distant past change weather conditions influence the outcomes of battles and more While magic practitioners are known under myriad terms the most iconic of them is the v lva As the central figure of the famous mythological poem V lusp The Prophecy of the V lva the v lva commands both respect and fear In non mythological texts similar women are portrayed as crucial albeit somewhat peculiar members of

society Always veiled in mystery the v lur and their kind have captured the academic and popular imagination for centuries Bringing together scholars from various disciplinary backgrounds this volume aims to provide new insights into the reality of magic and its agents in the Viking world beyond the pages of medieval texts It explores new trajectories for the study of past mentalities beliefs and rituals as well as the tools employed in these practices and the individuals who wielded them In doing so the volume engages with several topical issues of Viking Age research including the complex entanglements of mind and materiality the cultural attitudes to animals and the natural world and the cultural constructions of gender and sexuality By addressing these complex themes it offers a nuanced image of the v lva and related magic workers in their cultural context The volume is intended for a broad diverse and international audience including experts in the field of Viking and Old Norse studies but also various non professional history enthusiasts The Norse Sorceress Mind and Materiality in the Viking World is a key output of the project Tanken bag Tingene Thoughts behind Things conducted at the National Museum of Denmark from 2020 to 2023 and funded by the Krogager Foundation
