The Fascism of Ambiguity Marcia Cavalcante Schuback, 2022-08-25 This book contributes to the work of elucidating the new forms of fascism and authoritarianism that arise today in intimate relation with new mediatic and information technologies It presents elements of the connection between capitalism and fascism and makes clear how fascism today uses the ambiguity of senses and meanings as its most efficient way of infiltrating our reality and thereby becoming unequivocal The fascism of ambiguity is a fascism that grows the more the ambiguities and paradoxical dimensions of the contemporary situation become explicit It departs from some lessons of history regarding both historical fascism and some of the main critical lines and thoughts produced in the beginning of the 20th Century It shows what is new in today's form of fascism discussing its connection to techno mediatic capitalism to the dynamics of emptying meanings and senses through a technique of rendering them ambiguous and exacerbated It outlines some guiding thoughts regarding the question of ambiguity and metapolitics today and concludes by proposing two exercises of precision through the lenses of poetry and music as a way to resist and counter act the fascist metapolitics of the ambiguity of meanings and senses The American Shorthorn Herd Book ,1902 **Herd Book** National Pig Breeders' Association, London,1963 Complete Catalogue of Sheet Music and Musical Works published by the Board of Music Trade, etc Board of Music Trade (UNITED STATES OF AMERICA),1870 **Barbara's stocking (ed. by E. time and strikingly ahead of it engaging with themes of independence and the struggle for self actualization Catherine Martin herself was a pioneering figure whose life s trajectory mirrored the quiet rebellion of her protagonists Having been an educator and traveler Martin s experiences imbued her writing with authenticity and a progressive viewpoint that challenged the patriarchal norms of her day Her insightful observations and persistent questioning of conventional roles laid the groundwork for a narrative that still resonates with current audiences *An Australian Girl* is recommended not only for its historical and cultural significance but also for Martin s adept storytelling It speaks not just to those with an interest in Australiana but also to readers who appreciate character driven novels that explore the nuances of personal growth and the complexities of social roles The republication of this work by DigiCat Publishing offers a valuable opportunity for contemporary readers to rediscover and celebrate an essential voice within world literature
