The Rosie Poems Colin Macanulty, 2005-02 The sources of The Rosie Poems vary from the influence of the Celtic romancers who produced the timeless love story and tragedy of Tristan and Isolde to the love songs of the Scottish poet Robert Burns They hopefully move without a sense of sentimentality to expressions of deep personal love and sometimes regret at the loss of it There is social contemplation and elegy They observe the intimacy and the influence of lovers on one another These are poems that attempt to detail with delicate coloring the moods and longings of life with no limits set to their range or appeal The poems urge continuity They uphold the belief that if there is one basic thing that makes us human Joaquin Miller's Poems: Poetic plays Joaquin Miller,1910 it is the search for love Seventeen Syllables Hisave Yamamoto, 1994 Hisaye Yamamoto's often reprinted tale of a naive American daughter and her Japanese mother captures the essence the cultural and generational conflicts so common among immigrants and their American born children On the surface Seventeen Syllables is the story of Rosie and her preoccupation with adolescent life Between the lines however lurks the tragedy of her mother who is trapped in a marriage of desperation Tome s deep absorption in writing haiku causes a rift with her husband which escalates to a tragic event that changes Rosie's life forever Yamamoto's disarming style matches the verbal economy of haiku in which all meaning is contained within seventeen syllables Her deft characterizations and her delineations of sexuality create a haunting story of a young girl s transformation from innocence to adulthood This casebook includes an introduction and an essay by the editor an interview with the author a chronology authoritative texts of Seventeen Syllables 1949 and Yoneko's Earthquake 1951 critical essays and a bibliography The contributors are Charles L Crow Donald C Goellnicht Elaine H Kim Dorothy Ritsuko McDonald Zenobia Baxter Mistri Katharine Newman Robert M Payne Robert T Rolf and Stan Yoqi **Building Comprehension in Every Classroom** Rachel Brown, Peter Dewitz, 2013-10-09 This book presents a practical model and specific unit and lesson planning ideas for enhancing students reading comprehension in any 2.8 classroom The authors provide innovative suggestions that help teachers construct a comprehension curriculum organized around literature informational texts or a basal reading program Vivid case examples and vignettes bring to life ways to build the knowledge strategies and motivation that children need to engage with different types of texts and become proficient enthusiastic readers Graphic elements throughout the volume link instructional and assessment practices directly to the Common Core standards Beyond Portia Jacqueline St. Joan, Annette Bennington McElhiney, 1997 A resource to help judges lawyers scholars and students gain insight into the real lives of women whom the law purports to represent but whose self representations have historically been excluded from legal discourse Writers' & **Artists' Yearbook 2017** Bloomsbury Publishing, 2016-07-28 This bestselling guide to all areas of publishing and the media is completely revised and updated every year The Yearbook is packed with advice inspiration and practical guidance on who to contact and how to get published New articles in the 2017 edition on Stronger together writers united by Maggie Gee Life
