Dillingham, 1994 One of the most entertaining genres of American literature is the bold masculine wildly exaggerated and highly imaginative frontier humor of the Old Southwest produced between 1835 and 1861 in an area that extended from Virginia the Carolinas and Georgia westward to Louisiana Arkansas Missouri and Texas Hennig Cohen and William B Dillingham have tapped the wealth of this region to produce a collection that over the last three decades has become the standard anthology of Old Southwestern humor This new extensively revised edition includes an expanded introduction a dozen replacement sections an updated bibliography and works by three new writers Phillip B January Matthew C Field and John Gorman Barr Most generously represented are George Washington Harris Augustus Baldwin Longstreet Johnson Jones Hooper and Thomas Bangs Thorpe Selections from twenty five authors are featured along with brief biographical essays that combine historical and political analysis with perceptive literary criticism These selections document important facets of antebellum American culture and provide the background of the literary achievement of Mark Twain and William Faulkner **Clearing the Thickets** Herbert James Lewis, 2013-03-02 An accessible and interesting survey of the rise of the state of Alabama from frontier society to the Civil War **Searching for Freedom After the Civil War** G.
