The Royal Arch, Its Hidden Meaning George H. Steinmetz, 1946 *The Royal Arch* George Harold Steinmetz, 1946

Speculative Freemasonry and the Enlightenment R. William Weisberger, 2017-09-20 Freemasonry began with stonemasons in the Middle Ages experiencing the decline of cathedral building. Some guilds invited honorary memberships to boost their numbers. These usually highly educated new members practiced symbolic or speculative Freemasonry. The new Masonic lodges and learned societies offered their growing numbers of Protestant Catholic and Jewish members an understanding of deism, Newtonian science and representative government and of literature and the fine arts. This work describes how Masons on both sides of the Atlantic were mostly either enlighteners, political reformers or moderate revolutionaries. They offered minimal support to radical revolutionary ideas and leaders.

The Lost Word, Its Hidden Meaning George H. Steinmetz, 1953 **Freemasons** *Freemason Rituals, Lost Symbols?* David Ovason, 2011-02-28 The secrets, the myths and the facts behind Washington D C's design and its Masonic significance. In this groundbreaking original work, David Ovason reveals the intimate connections between the mysterious zodiacal symbols and the stellar lore of Washington D C and the secret plan for the city. There are over fifty complete zodiacs in Washington D C, all witness to an extraordinary stellar mystery. Why did generations of architects and artists put their lives and energies on the line when designing this City of the Stars? What was their shared secret language? What or who drove them to create a city overflowing with such esoteric symbolism? What is the meaning behind the secret symbolism of Washington D C's layout? And what does it mean for America's future?

Founding Fathers, Secret Societies Robert Hieronimus, 2005-12-28 An exploration of the influence of secret societies on the formative documents and symbols of the United States. Reveals the Founding Fathers' spiritual vision for America as encoded in the Great Seal. Traces the influence of the Iroquois League of Nations upon the Constitution. Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies. All children growing up in America learn who the Founding Fathers were. Most, however, never learn of the founders' connections to the Freemasons, the Rosicrucians and other esoteric orders. In *Founding Fathers Secret Societies*, Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols, especially the Great Seal. He reveals in detail how the reverse of the Great Seal, which appears on the back of the one dollar bill, is a blueprint that conveys the secret destiny of America. By understanding the kabbalistic meaning of the Great Seal's reverse, he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers' spiritual vision.
