woods was a pond that looked like it was alive and as clear as glass Even though he was in a beautiful place Prince Oliver's story was anything but normal Someone bad had cursed Prince Oliver to stay a frog until he found true love He used to be a beautiful prince A long time ago Prince Oliver was a charming young man who was liked by everyone in the country because he was brave kind and looks so good His eyes sparkled like gems and his smile could melt hearts He lit up any room he walked into As the prince walked around the palace grounds one fateful evening he came across a mysterious woman Her dark hair fell down her back and her eyes showed things that no one could understand She was a witch who had been watching Prince Oliver from afar because she liked how he looked and how he behaved The sorceress went up to the prince with a fake sense of respect She was actually jealous and mean She purred You are a sight to behold Prince Oliver and I wish to offer you a gift as a token of my admiration The prince who was always kind and innocent took her up on her offer He didn't know that the witch was after bad things The beautiful prince turned into a little green frog when she cast her spell with a sneaky glint in her eye She laughed as she faded into the darkness and said You will stay in this form until someone really loves you for who you are Oliver Prince had tears in his eyes He was left alone by the pond in the lovely forest and now his royal life is just croaks and hops The curse was like a thick fog over him and he had no idea when or how it would go away Even though he had changed he was still kind and gentle and he hoped that someone would recognize him as the prince he used to be To break the curse and come back as a prince he hopped around the pond every day In the forest the prince met many frogs and other animals They were all nice and inviting but he felt like he was meant for more He wished he had a real friend who could see the prince in him even though his skin was green and slimy
