Marianne Taylor, 2016-02-25 Most bird books are designed to help you identify the birds that you've seen. This book is different. It is a species by species guide that shows you how to find and watch more than 250 species of birds that can be seen in Britain. Some are common, others are rare migrants or scarce breeding birds, but this book will tell you the best places to see and watch all of them. Sections include: How to find, including the best time of day; how to search the habitat and behavioural signs; Watching tips including ways to get close to the bird without disturbing it and how to attract it to your garden. Super sites includes a short list of some of the best places to see the species. Readers will be able to see their most coveted species but also enjoy rewarding watching experiences that will enhance their understanding of the species of bird behaviour and of key fieldcraft techniques. *Field Guide to the Birds of Britain and Ireland* Mark Golley, 2016-11-17 An updated edition of the popular *Field Guide to the Birds of Britain and Ireland* in association with the Wildlife Trusts. Stunningly illustrated and simple to use, this brand new fully updated edition of a practical and informative guide is a must for any birdwatcher's pocket. Whether observing what is feeding, nesting or bathing in your garden or further afield or trying to identify a bird on the wing, this book is perfect for use at home, out in the car or in the field. Arranged in taxonomic species order, it is ideal for both the beginner and the more experienced birdwatcher. The comprehensive and informative jargon-free text is written by birdwatching expert Mark Golley. This book is packed with identification tips, details of habitat and calls for over 280 bird species and includes all those seen regularly in Britain and Ireland as well as some of the less common migrants. It is illustrated throughout with more than 1,000 spectacular full colour illustrations by leading bird artist David Daly.
