

A small blue boat is positioned in the lower center of the frame, floating on a calm body of water. The water reflects the vibrant colors of the sunset sky, which is a mix of purple, pink, and orange. The sky is filled with soft, wispy clouds. A large, semi-transparent dark rectangle is overlaid on the upper half of the image, containing the quote in white text. The overall mood is peaceful and contemplative.

I am not saying it's easy, I
am saying it's necessary!

Saying The Necessary:

Saying the Necessary Edward Harkness, 2018-03-21 Edward Harkness grew up in Seattle's north end and has with a few exceptions including a year's teaching stint in the Peoples Republic of China never gotten very far away from home. He holds degrees from the University of Washington and the University of Montana at the latter he earned an MFA and studied with poets Richard Hugo and Madeline DeFrees. His poems have appeared in many periodicals including American Review Poetry Northwest Seattle Review Fine Madness Portland Review Northwest Review and CutBank. He is also author of several chapbooks including *Fiddle Wrapped in a Gunny Sack* Dooryard Press 1984 and *Watercolor Painting of a Bamboo Rake* Brooding Heron Press 1994. *Saying the Necessary* is his first full length collection. He teaches writing at Shoreline Community College and lives with his family in Shoreline, Washington, which is an easy bike ride from his old north Seattle neighborhood.

Necessary for Jesus Stephen Kirkendall, 2019-11-12 Stephen Kirkendall ChFC chartered financial consultant has helped Christians with financial investments for many years through mortgage loans, life insurance, investments, estate planning, retirement income planning, and wealth management. He realized early on that most Christians have serious questions about tithing but there seemed to be no solid answers. He decided to dig deeper into the truth in the Scriptures. There are too many wolves on TV, the Internet, and YouTube. They state that pastors who talk about tithing are thieves and that tithing is unscriptural and that they're getting away with it because no one is challenging them with the full truth. Churches have broken up over tithing. There are marriages that have ended in divorce because of tithing. The real full truth needs to come out. It is so important that God uses more than seven chapters to explain. The result is the biblically driven study *Necessary for Jesus*. Most Christians know what was necessary for Jesus. Seventy prophecies fulfilled. Why don't Christians know what is necessary for Jesus? Seventy rewards for helping Jesus. During his search for answers, Kirkendall knew he could honestly answer questions about money by going straight to God's teaching in the Bible. Stephen also realized that when he used the Scriptures it had to be copy and paste. All Christians, especially the church teachers and leaders, need to know the full truth about tithing and how the lessons about it in the Scriptures still apply today. Giving back to God is the wisest investment Christians can make. It will not only lead to financial security but also to a completely blessed and prosperous life.
