Ringe, 1998-01-01 In the critically acclaimed best seller Women's Bible Commentary an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies *Feminist Companion to the New Testament and Early Christian Writings* Amy-Jill Levine, Marianne Blickenstaff, 2001 *Feminist Companion to John* Amy-Jill Levine, 2002-06-01 The second feminist volume volume on Johannine literature includes an Introduction by Amy Jill Levine Adele Reinhartz on Women in the Johannine Community An Exercise in Historical Imagination Satako Yamaguchi I Am I Do Sayings and Women in Context and Dorothy Lee Abiding in the Fourth Gospel Colleen Conway writes on Gender Matters in John Adeline Fehribach on The Crucifixion in the Fourth Gospel A Birthing Moment Deborah Sawyer on Water and Blood Birthing Images in John's Gospel Harold Attridge on Don't Be Touching Me Recent Feminist Scholarship on Mary Magdalene and Jane Schaberg Thinking Back through the Magdalene *The Bible and Patriarchy in Traditional Tribal Society* Chingboi Guite Phaipi, 2023-01-26 Chingboi Guite Phaipi examines how biblical texts reinforced female subjugation in Northeast Indian tribal societies after tribes had accepted Christianity in the early 20th century Phaipi shows how most tribal groups reinforced women's subordinate status by invoking newly authoritative biblical texts such as the creation stories in Genesis 1 2 and 3 Phaipi studies the creation stories in Genesis to offer broader readings for Christian tribal communities that are communal

traditional and struggling to retain their women and girls particularly those who are educated This volume recognizes and respects tradition traditional communities and the enduring witness of faithful lives in tribal communities at the same time as offering ways forward with respect to unworthy cultural practices and preferences that have been legitimised by the Bible This book offers a contextually sensitive and scholarly reading of the Bible with particular attention to the ways patriarchal norms in biblical narratives are perpetuated rather than considered and reformed **Pythagorean Women Philosophers**

Dorota M. Dutsch, 2020-10-30 Women played an important part in Pythagorean communities so Greek sources from the Classical era to Byzantium consistently maintain Pseudonymous philosophical texts by Theano Pythagoras disciple or wife his daughter Myia and other female Pythagoreans circulated in Greek and Syriac Far from being individual creations these texts rework and revise a standard Pythagorean script What can we learn from this network of sayings philosophical treatises and letters about gender and knowledge in the Greek intellectual tradition Can these writings represent the work of historical Pythagorean women If so can we find in them a critique of the dominant order or strategies of resistance In search of answers to these questions *Pythagorean Women Philosophers* examines Plato's dialogues fragmentary historians and little known testimonies to women's contributions to Pythagorean thought Adopting Paul Ricoeur's hermeneutics Dutsch approaches such testimonies with a mixture of suspicion and belief This approach allows the reader to alternate critique of the epistemic regimes that produced ancient texts with a hopeful reading one which recognizes female knowledge and agency Dutsch contends that the value of the Pythagorean text network lies not in what it may represent but in what it is a fictionalized version of Greek intellectual history that makes place for women philosophers The book traces this alternative history challenging us to rethink our own account of the past **Good Housekeeping Magazine**, 1890
