had enjoyed my back yard just sitting and relaxing in the warmth of its sunshine the coolness of its shade and the beauty of its gardens But not until recently did I ever surmise for one moment how many backyard critters one could have visiting or

living there So I decided to watch and study any of these critters that made themselves apparent to me As I would sit and watch these critters I kept thinking Why all these critters large or small must have a story to tell Through your imagination these critters will lead you through their tales of fun and excitement with some unexpected twists and turns around every corner ENJOY     The Ranch Chris Peck,2013-10 This book and its author grew up together The 1960s in America

transformed everyone who lived through this amazing time in our nation s history Civil rights laws were fought for and passed women began to find a voice and break down barriers Immigrant workers and Native Americans raised their voices We became a smarter more aware nation for a while The Vietnam War became a symbol of those times The music helped define us and the illegal use of banned substances gave some of us the temporary courage to face the insanity head on The ranch is a mostly accurate first person account of one young man s strange journey from gung ho high school student to landing himself in the middle of the world s most dangerous navy Our hero slowly evolves into a war resister who gets into the exact amount of trouble to get assigned to a horse ranch in the U S Navy There are a few rants that I included for mostly therapeutic reasons and several well chosen fits of profanity that help to paint the military experience as it was and I believe still is to this day I consider this book funny and thoughtful but then I m severely prejudiced I wrote this back cover account myself because George Carlin and Joseph Heller had busy schedules in the afterlife and I don t know Sara Silverman yet The Ranch is my first attempt at being considered a writer I have plans to write a second book which will document my experience as a telephone man in Northeast New Jersey There will be plenty of danger sex drugs and rock and roll with a hint of The Sopranos so don t spoil my enthusiasm and buy this book Thanks America     **One True Love** Annie
