Chasing Dandelions BELLA CORONEL,2021-10-19 The book that gained Bella Coronel the hallmark as the voice of many broken hearts Chasing Dandelions ranked 8th in the Filipino Readers Choice Awards in 2022 for Poetry Category This is generally not a book of love poems but a collection that will sting your heart and will ache your soul Of all the crisis I could ever think of it was the crisis of the heart that I didn't see coming I have finally come to realize that my heart is not as pure as I thought it was that my conscience is not as clear as it should be I might have been in a pretend play situation all along which my mind made sure to cover it up with logic But the heart the heart does not last long in pretending God revealed to me a reality that I cannot escape And indeed it was the time I have to humbly accept I lost the battle that I overconfidently thought I'll win This book is divided into two parts like a heart that is divided into loving and unloving I wanted to create a book that will express every love untold every unrequited affection every veiled adoration every silent heartache towards another person
