Scarlet To Green:

Scarlet to Green Major S.R. Elliot, 2017-11 *Scarlet to Green* details the boom and bust cycles of the Canadian Army's intelligence organization from its inception in 1903 to 1963 the eve of the Integration of the Canadian Armed Forces. The book analyzes the role of intelligence in Canadian Army operations in World Wars I and II and the Korean War as well as its activities in Canada. The influence of intelligence on operational decision making, the development of new intelligence collection techniques and the challenges of countering enemy espionage and subversion are some of the enduring aspects of military intelligence explored. Elliot draws particular attention to the imperatives for having a highly capable and professional military intelligence organization and staff and shows the challenges when the situation is otherwise in both peace and war. With a new Foreword and Afterword by Dr David A Charters Professor of Military History, retired and Senior Fellow at The Gregg Centre for the Study of War and Society, University of New Brunswick, this second edition commemorates the 35th Anniversary of the Canadian Intelligence Branch, the 75th Anniversary of the formation of the Army's Canadian Intelligence Corps and the latter's formal re-instatement in December 2016.
