Reasoner,2009-09-01

*Paranormal Family Incorporated: The Haunted Asylum* William J. Smith, 2017-02-07 The Smith and Smith Paranormal Investigation Agency has investigated many different types of buildings and edifices over its many years of operation, not just haunted houses. They have investigated schools, ski resorts, lodges, and hotels, but they have yet to investigate an abandoned insane asylum until now. They are drawn to the Edgewood Home for the Criminally Insane in upstate New York, bringing their three children, William, Oscar, and Carol Anne, along, but they get more than they bargained for when a few of these lost souls follow them home after the investigation, including the soul of a young girl supposedly murdered in the halls of the insane asylum when it was still in operation.

*Haunted House Murder* Leslie Meier, 2022-07-26 Falling leaves, chill winds, shorter days, and spooky houses. Halloween in Maine transports part-time reporter Lucy Stone into cozy heaven. Until someone goes missing. A woman with many hats, Lucy Stone is rarely on time, but she's never too late to catch the important news in the Maine coastal town of Tinker's Cove. Sometimes it might even make the front page of the *Pennysaver*, the town's weekly paper. For example, the latest out of the basement town hall meeting is that the dilapidated house across the street from the elementary school will not be condemned. In fact, a local inspection has proved it's structurally sound. Even more surprising, newcomers to Tinker's Cove are about to close on their soon-to-be new home. Despite rumors that the house is a haven for ghosts, Ty and Heather Moon soon take residence. But strangely, they're not exactly receptive to the town's welcoming committee. Odder still are the noises and flickering lights erupting from the house at all hours. And when a local boy goes missing near the house, it's up to Lucy Stone to unravel the mystery of the eccentric couple and their increasingly frightful behavior.
