Scenes From Soviet Life Soviet Life Through Official Literature:

Scenes from Soviet Life Mary Seton-Watson, 1986 **Reference Guide to Russian Literature** Neil

Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Russian Women Writers Christine D. Tomei, 1999 Textual Liberation (Routledge Revivals) Helena Forsas-Scott, 2014-11-13 Feminist writing has emerged in recent years as a major influence of twentieth century European literature Textual Liberation first published in 1991 provides a timely and wide ranging survey of twentieth century feminist writing in Europe presenting texts from a number of countries and highlighting some of the transnational parallels and contrasts The contributors emphasize the wider contexts political social economic in which the texts were produced They cover feminist literature in Britain Scandinavia Germany Eastern Europe Russia France Spain Italy and Turkey and consider a range of genres including the novel poetry drama essays and journalism Each chapter contains an extensive bibliography with special emphasis on material available in English A stimulating introduction to the development of European feminist writing Textual Liberation will be an invaluable resource for students of women s literature women s studies and feminism

Writing Women's History Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women s history the use of the concept of experience the development of the history of gender demographic history and women s history and the importance of post structuralism to women s history

Refining Russia Catriona Kelly, 2001-08-09 Advice literature etiquette manuals guides to hygiene and house management and treatises on upbringing enjoyed massive popularity in Russia between the late eighteenth and the late twentieth centuries It reflected changing attitudes to appropriate behaviour in private and public to the acquisition of possessions and not least to national identity for many Russians reading how to books was seen as a way of learning how to be a Westerner Written or translated by members of the cultural elite trying to encourage what they saw as civilized behaviour advice literature was also a conduit for changing views of mass readers and of their place in society This important and engaging book is the first systematic exploration of this hitherto neglected genre of popular printed text It examines the evolution of advice literature from the Enlightenment to the post Soviet era from translations of F nelon and Madame de Lambert in the 1760s and of Samuel Smiles in the late nineteenth and early twentieth centuries to tracts by Gogol and Tolstoi Soviet pamphlets on how to be cultured and post Soviet guides to window treatments It draws on a huge range of sources memoirs novelised conduct books such as Anna Karenina parody advice literature letters and reviews to examine the broader significance of how to books and their relationship with daily life byt as construct and as lived reality The result is a book that not only makes a major contribution to the study of popular culture but also throws an unexpected and revealing light on Russian history more broadly Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina

Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Irish Slavonic Studies*, 1987 **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **Problems of Communism**, 1959 *Olympic Sports and Propaganda Games* Barukh á, azan, 1982-01-01 Olympische Spiele Moskau Politik Boykott UdSSR *Russian Literature, 1995-2002* N. N. Shneidman, 2004-01-01 Despite the many challenges besetting it Shneidman argues convincingly that literary activity in Russia continues to be dynamic and vibrant Alternative Capitalisms Robert Gwynne, Denis Shaw, Thomas Klak, 2014-05-12 This book aims to examine the effects of globalization and economic and political transformations in those parts of the world which are now regularly referred to as emerging regions These are Latin America and the Caribbean East Central Europe and the former Soviet Union and East Asia This book breaks new ground in three areas First of all it develops a critique of the use of the term emerging regions for geographers and social scientists and relates this to world systems theory Secondly it explores the development trajectories and challenges of countries in this so called emerging world countries that will be crucial to the evolution of the world economy in the twenty first century Thirdly it compares and contrasts the pathways of both economic and political change in the three world regions under focus This is a unique approach in terms of books published in both geography and the social sciences Within the context of the three world regions the book combines historical and contemporary analysis of the evolving world system In these regions we are concerned to understand the historical expansion and extension of capitalism and how its contemporary forms of production exchange and regulation are evolving The authors believe that at the present time these processes have produced alternative capitalisms economic and associated developments which while assuredly capitalist differ in various ways from those typical of the capitalist West or core economies of North America and Western Europe **Encyclopaedia of Contemporary Russian** Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 The Encyclopedia is an invaluable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines *Russia* Michael Haynes, 2002 The spectre of Stalinism continues to haunt radicals across the world If revolutions inevitably lead to tyranny how can the anti capitalist movement develop a vision for a better world This timely book re examines the rise and fall of the

Russian revolution as well as the destructive consequences of market capitalism since the collapse of the Soviet Union in the context of a buoyant anti capitalist movement

A Literary Cavalcade-I Robert A. Parker, 2013-11-03 For six decades writer and editor Robert A Parker has followed up each book he reads mainly novels with an evaluation His comments are informed by an independent critical view that balances a moral and literary sensibility In this first of six volumes the authors covered range from Kobo Abe to Michael Cunningham They include Richard Adams Russell Banks Anthony Burgess A S Byatt James Carroll Willa Cather J M Coetzee and Joseph Conrad The commentaries are listed alphabetically by author and the books by the date of publication for each author Some authors are represented by one book some by five or more Future volumes will cover additional authors alphabetically The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement the effectiveness of plot character and setting plus their recognition of the moral ethical and spiritual values of mankind

The Art of Writing Badly Richard Chandler Borden, 1999 The art of writing badly is a phrase the Russian writer Valentin Kataev coined to describe the work that came out of the mauvist movement in Russia a style of writing that consciously challenged Soviet dogma In this book Richard Borden discusses the cultural and political context from which these authors emerged and the development of bad writing Beginning with a close examination of the work of Kataev the best known progenitor of bad writing Borden then broadens his study to include the mauvist creations of post Stalinist writers Aksenov Bitov Sokolov Limonov Evgeny Popov and Venedikt Erofeev Borden shows how these writers shared mauvistic characteristics reveal major philosophical and aesthetic tendencies in contemporary Russian culture bring to light facets of their writing that have never been discussed and enrich the readings of the particular texts under discussion
