Scent Of A Killer:

Scent of a Killer Blaise Apoldite, 2009-09-18 There is no available information at this time

Scent of a Killer Christiane Heggan, 2004-01 Kevin Lewis, 2010-06-24 The hunter has become the prey The headless corpses of three men are found in a London side street Their mutilated torsos are witness to an unspeakably agonizing death It becomes chillingly clear that this discovery is a horrific message to the Metropolitan Police and to one officer in particular DI Stacey Collins finds herself on the hunt for a psychopathic killer But it would seem that this is no ordinary homicide all the victims had themselves been predators terrorizing the innocent Is this a twisted vigilante mission or something far more sinister Meanwhile Collins must battle her own demons as the MET's Internal Affairs department investigate her past and her connections to London's underworld Collins faces her toughest challenge yet torn between justice and revenge

Field & Stream, 2006-08 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

Scent of a Killer Jay Korza, Faith Williams, 2014-10-28 On a warm evening in a tranquil San Francisco Katherine sits patiently on a hillside overlooking the Pacific Ocean In a house on the same hill a husband is kissing his wife goodnight for the last time For reasons known only to Katherine this loving husband is the focus of Katherine's current project and all of her projects end in the same way death Meanwhile on the other side of the country Sebastian Giustina and his partner Basilio Machin are two of the best homicide detectives the NYPD has Some give credit where credit is due but others say that Sebastian has an unfair advantage that has gotten him to where he is today Sebastian has an extremely heightened sense of smell known as hyperosmia together with an unheard of photographic scent memory Sebastian can detect evidence at crime scenes that would otherwise go unnoticed When Katherine targets a project in the great city of New York she unwittingly leaves her victim to be found by the one detective in the world who may be able to put together the evidence and bring her serial killing to an end

Tails from the Woods Rick Gordon, 2022-06-20 Welcome to Tails from the Woods This compilation of short stories is about one man's lifetime of experiences hunting and camping alone or with family and friends These stories contain memories ranging from early childhood to late adulthood that land the author in many different predicaments from which lessons are learned through successes and failures These lessons combined with scriptures from the Bible helped the author to better understand God's Word and His will for our lives Some of these stories might help novice hunters increase their hunting skills But most focus on the mistakes that come from inexperience or carelessness that can lead to hilarious and unwanted outcomes Maybe you're a seasoned hunter Maybe you are just starting your hunting career Or maybe you just like to spend

time in God's glorious creation Hopefully Rick Gordon's stories combined with thought provoking scripture will bring a smile to your face and help you avoid pitfalls in the woods or in your walk with Christ and all His creation Field & Stream, 2003-09 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **The Best of The Total Outdoorsman** T.
