Schiller In Russian Literature:

Schiller in Russian Literature Edmund Karl Kostka, 1965 **Schiller in Russian Literature** Edmund K. Kostka, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Handbook of Russian Literature** Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays The Gothic-Fantastic in Nineteenth-Century Russian Literature , 2023-12-18 The BRILL series Studies in Slavic Literature and Poetics occupies a unique place in the academic and intellectual book market due to its emphasis on theoretically informed and interdisciplinary approaches to the study of Slavic literatures and cultures The series welcomes book proposals for monographs or edited volumes discussing questions of Slavic culture identity and history as expressed in literature film and other forms of cultural production Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Masja Horn Dostoevskij and Schiller Alexandra H. Lyngstad, 2019-02-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries

Russian Writers on Translation Brian James Baer, Natalia Olshanskaya, 2014-07-16 Since the early eighteenth century following Peter the Great s policy of forced westernization translation in Russia has been a very visible and much discussed practice Generally perceived as an important service to the state and the nation translation was also viewed as a high art leading many Russian poets and writers to engage in literary translation in a serious and sustained manner As a result translations were generally regarded as an integral part of an author s oeuvre and of Russian literature as a whole This volume brings together Russian writings on translation from the mid 18th century until today and presents them in chronological order providing valuable insights into the theory and practice of translation in Russia Authored by some of Russia s leading writers such as Aleksandr Pushkin Fedor Dostoevskii Lev Tolstoi Maksim Gorkii and Anna Akhmatova many of these texts are translated into English for the first time They are accompanied by extensive annotation and biographical sketches of the authors and reveal Russian translation discourse to be a sophisticated and often politicized exploration of Russian national identity as well as the nature of the modern subject Russian Writers on Translation fills a persistent gap in the literature on alternative translation traditions highlighting the vibrant and intense culture of translation on Europe s periphery Viewed in a broad cultural context the selected texts reflect a nuanced understanding of the Russian response to

world literature and highlight the attempts of Russian writers to promote Russia as an all inclusive cultural model

Russian Literary Criticism R. H. Stacy, 1974-04-01 *Russian Literary Criticism* is a survey of the various ways in which representative Russian critics from the eighteenth century to the twentieth century have viewed not only the literary works of other Russian and non Russian writers but also the problems of literature in general Primarily intended for readers who do not know Russian this book discusses the major Russian critics and critical movements The author provides sufficient historical and political background to enable the reader to understand both the literary situation and the problems facing Russian critics at any given time whether the influx of various ideologies official Soviet views or dissident opinion from the Decembrists to Solzhenitsyn

How Russian Literature Became Great Rolf Hellebust, 2024-01-15 *How Russian Literature Became Great* explores the cultural and political role of a modern national literature orchestrated in a Slavonic key but resonating far beyond Russia's borders Rolf Hellebust investigates a range of literary tendencies philosophies and theories from antiquity to the present Roman jurisprudence to German Romanticism French Enlightenment to Czech Structuralism Herder to Hobsbawm Samuel Johnson to Sainte Beuve and so on Besides the usual Russian suspects from Pushkin to Chekhov Hellebust includes European writers Byron and Shelley Goethe and Schiller Chateaubriand and Baudelaire Dante Mickiewicz and more As elsewhere writing in Russia advertises itself via a canon of literary monuments constituting an atemporal ideal order among themselves T S Eliot And yet this is a tradition that could only have been born at a specific moment in the golden nineteenth century age of historiography and nation building The Russian example reveals the contradictions between immutability and innovation universality and specificity at the heart of modern conceptions of tradition from Sainte Beuve through Eliot and down to the present day The conditions of its era of formation the prominence of the crucial literary historical question of the writer's social function and the equation of literature with national identity make the Russian classical tradition the epitome of a unified cultural text with a complex narrative in which competing stories of progress and decline unfold through the symbolic biographical encounters of the authors who constitute its members *How Russian Literature Became Great* thus offers a new paradigm for understanding the paradoxes of modern tradition

The Routledge Companion to Russian Literature Neil Cornwell, 2002-06-01 *The Routledge Companion to Russian Literature* is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women's writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography *The Routledge Companion to Russian*

Literature is the perfect guide for students and general readers alike *Dostoevsky* Joseph Frank,1979-05-21 Describes Dostoevsky s early years from his boyhood and the death of his father through his years at the engineering academy in St Petersburg his brief career as a government draughtsman and his involvement with Petrashevsky s radical group that led to exile in Siberia Dust jacket Arc of Utopia Lesley Chamberlain,2017-11-15 Although Lenin and his fellow revolutionaries never called themselves Utopians believing strictly in a science of revolution they considered Utopians to be merely dreamers they were enormously inspired by the grand humanitarian aims of the French Revolution of 1789 Taking up this French revolutionary agenda and reinforcing it with German philosophy Russians formed a beautiful vision in which an imaginary theology blended with a premier role for art Arc of Utopia offers a fresh look at these German philosophical origins of the Russian Revolution In the book Lesley Chamberlain explains how influential German philosophers like Kant Schiller and Hegel were dazzled by contemporary events in Paris and how this led a century later to an explosion of art and philosophy in the Russian streets with a long repressed people reinventing liberty equality and fraternity in their own cultural image Chamberlain examines how some of the greatest Russian names of the nineteenth century from Alexander Herzen to Mikhail Bakunin Ivan Turgenev to Fyodor Dostoevsky defined their visions for Russia in relationship to their views on German enthusiasm for revolutionary France With the centenary of the Russian Revolution approaching Arc of Utopia is an important and timely revisioning of this tumultuous moment in history **Reference Guide to Russian Literature** Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Studies in Russian Literature* Charles Edward Turner,1882 History of Nineteenth-century Russian Literature: Romantic period Dmitrij Tschizewskij,1974 **Translation and the Making of Modern Russian Literature** Brian James Baer,2015-11-19 Brian James Baer explores the central role played by translation in the construction of modern Russian literature Peter I s policy of forced Westernization resulted in translation becoming a widely discussed and highly visible practice in Russia a multi lingual empire with a polyglot elite Yet Russia s accumulation of cultural capital through translation occurred at a time when the Romantic obsession with originality was marginalizing translation as mere imitation The awareness on the part of Russian writers that their literature and by extension their cultural identity were born in translation produced a sustained and sophisticated critique of Romantic authorship and national identity that has long been obscured by the nationalist focus of traditional literary studies By offering a re reading of seminal works of the Russian literary canon that thematize translation alongside studies of the circulation and reception of specific translated texts Translation and the Making of Modern Russian Literature models the long overdue integration of translation into literary and cultural studies *Literature, Music, Fine Arts* ,1969 **The Historical Novel in Nineteenth-Century Europe** Brian Hamnett,2011-11-24 Even at the height of its popularity in the early nineteenth century the historical novel faced criticism at

many levels After its predominance in the 1810s and 1820s writers and historians shunned it as a travesty of their respective disciplines Even so the historical novel has frequently attracted a wide ranging public right up to the present day Brian Hamnett examines key novels by authors including Scott Balzac Manzoni Dickens Eliot Flaubert Fontane Gald s and Tolstoy revealing the contradictions inherent in this form of fiction and exposing the challenges writers faced in attempting to represent a reality that linked past and present He argues that the historical novel in the nineteenth century was a common European phenomenon with considerable interconnection of themes and periods Accordingly the book ranges from the British Isles and France through the Germanic territories Italy and Spain to the Russian Empire identifying the different objectives and phases of the historical novel Although historical novels did appear in the two previous centuries the form came to maturity in the nineteenth century a consequence of the developing nature of history as a discipline distinct from literature and philosophy and the increasing primacy of the novel for writers and the reading public Yet the frontiers between history and literature remained blurred and the two disciplines continued to influence one another as each sought a faithful representation of human experience

The German Gothic Novel in Anglo-German Perspective Patrick Bridgwater, 2013-10-10 The first full length study of the main German contributors to the Gothic canon to each of whom a chapter is devoted The German Gothic Novel in Anglo German Perspective is an original historical and comparative study that goes well beyond the necessary review of the evidence to include much new material many new insights and pieces of analysis and some fundamental changes of perspective The book aims to put the record straight in bibliographical and literary historical terms and to act as a reference guide to facilitate future research so that anyone working on the German Gothic novel or on Anglo German interactions in the field of Gothic will find there references to all the relevant secondary literature The German Gothic Novel in Anglo German Perspective is addressed to Germanists but also to teachers and students of English American and comparative literature for there is at present hardly a hotter subject than Gothic The book s emphasis on the Gothic work of canonical writers should prompt even conservative German Departments to reconsider their attitude to Gothic Being addressed to scholars and students of German German quotations are given in German but English translations are added for the convenience of English and American scholars and students of Gothic who represent another important section of the books target audience

Ideas and Realities in Russian Literature Peter Kropotkin, Victor Robinson, 2020-05-26 Ideas and Realities in Russian Literature is a 1906 work by Russian historian and anarchist philosopher Peter Kropotkin Within it Kropotkin presents a broad general idea of the subject by examining modern literature and its most notable contributors This volume will appeal to those with an interest in Russian literature and is not to be missed by collectors of Kropotkin s seminal work Pyotr Alexeyevich Kropotkin 1842 1921 was a Russian writer activist revolutionary economist scientist sociologist essayist historian researcher political scientist geographer geographer biologist philosopher and advocate of anarcho communism He was a prolific writer producing a large number of pamphlets and

articles the most notable being *The Conquest of Bread* and *Factories and Workshops and Mutual Aid A Factor of Evolution* This classic work is being republished now in a new edition complete with an excerpt from Comrade Kropotkin by Victor Robinson **Joan of Arc on the Stage and Her Sisters in Sublime Sanctity** John Pendergast, 2019-11-08 This book examines the figure of Joan of Arc as depicted in stage works of the nineteenth and twentieth centuries especially those based on or related to Schiller's 1801 romantic tragedy *Die Jungfrau von Orleans* The Maid of Orleans The author elucidates Schiller's appropriation of themes from Euripides's *Iphigenia* plays chiefly the quality of sublime sanctity which transforms Joan's image from a victim of fate to a warrior prophet who changes history through sheer force of will Finding the best known works of his time about her Voltaire's *La pucelle d'Orléans* and Shakespeare's *Henry VI* part I utterly dissatisfying Schiller set out to replace them *Die Jungfrau von Orleans* was a smashing success and inspired various subsequent treatments including Verdi's opera *Giovanna d'Arco* and a translation by the father of Russian Romanticism Vasily Zhukovsky on which Tchaikovsky based his opera *Orléanskaya deva* The Maid of Orleans In turn the book's final chapter examines Shaw's *Saint Joan* and finds that the Irish playwright's vociferous complaints about Schiller's romantic flapdoodle belie a surprising affinity for Schiller's approach

Recognizing the habit ways to get this book **Schiller In Russian Literature** is additionally useful. You have remained in right site to start getting this info. get the Schiller In Russian Literature associate that we have the funds for here and check out the link.

You could buy guide Schiller In Russian Literature or acquire it as soon as feasible. You could quickly download this Schiller In Russian Literature after getting deal. So, later you require the books swiftly, you can straight get it. Its in view of that categorically easy and correspondingly fats, isnt it? You have to favor to in this tone
