Schnozzola Jimmy Durante:

Schnozzola. The Story of Jimmy Durante. [With Plates, Including Portraits.]. Gene FOWLER, 1952 Good Night, Mrs. Calabash William Cahn, 1963 Famous Durante quips interspersed within the narrative along with many photographs give a rounded picture of the star's personality **The Encyclopedia of Vaudeville** Anthony Slide, 2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s. It includes entries not only on the entertainers themselves but also on those who worked behind the scenes, the theatres, genres, and historical terms. Entries on individual vaudevillians include biographical information, samplings of routines, and often commentary by the performers. Many former vaudevillians were interviewed for the book, including Milton Berle, Block and Sully, Kitty Doner, Fifi D'Orsay, Nick Lucas, Ken Murray, Fayard Nicholas, Olga Petrova, Rose Marie, Arthur Tracy, and Rudy Vallee. Where appropriate, entries also include bibliographies. The volume concludes with a guide to vaudeville resources and a general bibliography. Aside from its reference value, with its more than five hundred entries, The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten. Many of the vaudevillians here, including Jack Benny, George Burns, and Gracie Allen, Jimmy Durante, W. C. Fields, Bert Lahr, and Mae West, are familiar names today thanks to their continuing careers on screen. At the same time, and given equal coverage, are forgotten acts, legendary female impersonators Bert Savoy and Jay Brennan, the vulgar Eva Tanguay with her billing as The I Don't Care Girl, male impersonator Kitty Doner, and a host of freak acts. *Reminiscing About Ocean Beach and Fire Island* Cheryl Dunbar Kahlke, 2011-02-03 The editor Cheryl Dunbar Kahlke has woven five written accounts about Fire Island into a very readable book, generously complemented with photographs and postcards of the 1920s to the 1940s era. The five narratives are universal in emotion and yet simultaneously immensely personal in detail. That private quality triggers the reader's sensation of a personal knowledge of the feelings and experiences of each. In addition, each tale is enhanced by that presenter's honest abandon as they penned their memories in their own vernacular and individual colloquial style. Overall, the subject matter, Fire Island, universalizes the outpourings. Factual and historic details in timelines, maps, charts, newspaper articles, and other memorabilia add to the book. These keep the stories grounded in historic reality, which is useful for those who desire a deeper background of the times. *Beverly Hills Country Club* Earl W. Clark, Allen J. Singer, 2010-01-25 In 1977 at the Beverly Hills Supper Club in Southgate, Kentucky, 165 people died in a tragic fire. Covered by news outlets across the country, many still associate tragedy with this popular entertainment destination. The club's legacy, however, stretches back to the 1950s when it was known as the Beverly Hills Country Club. Folks from across the nation came here to see the best shows in town and to gamble in the casino. Considered the finest nightclub in the Cincinnati area, it showcased lavish entertainment at a time when television and rock and roll were still in their infancy. Beverly Hills presented all of the day's top entertainers: Liberace, Milton Berle, Carol Channing, Mel Tormé, Jimmy Durante, Tony Bennett, and a galaxy of other world-famous

headliners This book reveals a host of those wonderful and diverse performers as they prepare backstage for their shows

not enough to merely know what you want you must know why you want it and how you are going to use it Mr Mathis advocates that in the Christian context one must be aware of just two primary concerns in regard to what one really wants First that what one wants is in Gods will and secondly that what one really wants comes from Gods will There are many things out there to want that dont come from Gods will and if it doesnt come from Gods will it is not in Gods will The final and one of the most important elements according to Mr Mathis is that once all the preceding tests are met and one is truly sure of what he or she wants with all their heart then one must become a part of what he or she really wants One must lose his or her self in the pursuit This is where creation and creator merge to become one This is where a great horseman and a great horse merge into one continuous flowing motion to reach one common goal This is the jockey Red Pollard and Seabiscuit merging and moving toward victory at Santa Anita Stakes the comeback of not one but two heroes who were injured and down but not defeated because their SPIRIT was stronger than any force of defeat This is the wounded healer and Christ merging for the common goal of building Gods glorious Kingdom This is what its all about in the Christian context In the most explicit Christian context it is one being baptized into Christ and fully submitting himself to Gods will and becoming one with Christ in the singleness of purpose of building Gods Eternal Kingdom That one is in Christ and Christ is in him moving in Gods will toward the fulfillment of Gods will That one has acquired what he wants most of all because what he wants most of all and what God wants most of all are one and the same fully synonymous The Hollywood Propaganda of World War II Robert Fyne,1997-03-06 During the Second World War over 300 Hollywood motion pictures were produced that in one way or another bore the propaganda imprimatur These popular movies and they consistently glorified the achievements of the American fighting man while vilifying all the members of the Axis pact and fostered morale on the Home Front and stood as tangible reminders that Old Glory mom apple pie and the St Louis Browns would emerge victorious from this global conflict But how successful was Hollywood s effort Citing numerous examples of flag waving dialogue Professor Fyne has produced an in depth study that examines these WWII movies analyzing many motifs stereotypes fiction as fact distortions and prevarications that permeate this genre His book lists the ten best titles of the war and discusses such topics as the World War I influence the different approaches toward the Italian German and Japanese military machines the glorification of the Soviet forces the image of the Chinese nationals the light hearted B comedies musicals and Westerns plus the American GI s inner frustration with his fabricated photoplay image For historians film watchers or social commentators this book complete with elaborate filmography offers important information about Hollywood s role in shaping the Home Front mores **Vaudeville old & new** Frank Cullen,Florence Hackman,Donald McNeilly,2007 Motion Picture Performers ,1971 International bibliografi over artikler om filmskuespillere **The Italian American Experience** Salvatore J.
