Scholarship and the Gypsy Struggle

Commitment in Romani studies

Edited by Thomas Acton

Scholarship And The Gypsy Struggle

Maja Miskovic

Scholarship And The Gypsy Struggle:

Danger! Educated Gypsy Ian Hancock, 2010 This is a timely collection of Ian Hancock's selected writings His impact upon Romani Studies has been truly remarkable both in terms of his contributions to linguistics and Gypsy historiography and in his re-assessment of Romani identity within the Western cultural fabric

Gypsies David Cressy, 2018-06-28 Gypsies Egyptians Romanies and more recently Travellers Who are these marginal and mysterious people who first arrived in England in early Tudor times Are claims of their distant origins on the Indian subcontinent true or just another of the many myths and stories that have accreted around them over time Can they even be regarded as a single people or ethnicity at all Gypsies have frequently been vilified and not much less frequently romanticized by the settled population over the centuries Social historian David Cressy now attempts to disentangle the myth from the reality of Gypsy life over more than half a millennium of English history In this the first comprehensive historical study of the doings and dealings of Gypsies in England he draws on original archival research and a wide range of reading to trace the many moments when Gypsy lives became entangled with those of villagers and townsfolk religious and secular authorities and social and moral reformers Crucially it is a story not just of the Gypsy community and its peculiarities but also of England's treatment of that community from draconian Elizabethan statutes through various degrees of toleration and fascination right up to the tabloid newspaper campaigns against Gypsy and Traveller encampments of more recent years

Gypsies and the British Imagination, 1807-1930 Deborah Epstein Nord, 2008-11-28 Gypsies and the British Imagination 1807-1930 is the first book to explore fully the British obsession with Gypsies throughout the nineteenth century and into the twentieth Deborah Epstein Nord traces various representations of Gypsies in the works of such well-known British authors John Clare Walter Scott William Wordsworth George Eliot Arthur Conan Doyle and D H Lawrence Nord also exhumes lesser-known literary ethnographic and historical texts exploring the fascinating histories of nomadic writer George Borrow the Gypsy Lore Society Dora Yates and other rarely examined figures and institutions Gypsies were both idealized and reviled by Victorian and early twentieth-century Britons Associated with primitive desires lawlessness cunning and sexual excess Gypsies were also objects of antiquarian literary and anthropological interest As Nord demonstrates British writers and artists drew on Gypsy characters and plots to redefine and reconstruct cultural and racial difference national and personal identity and the individual's relationship to social and sexual orthodoxies Gypsies were long associated with pastoral conventions and in the nineteenth century came to stand in for the ancient British past Using myths of switched babies Gypsy kidnappings and the Gypsies' murky origins authors projected onto Gypsies their own desires to escape convention and their anxieties about the ambiguities of identity The literary representations that Nord examines have their roots in the interplay between the notion of Gypsies as a separate often despised race and the psychic or aesthetic desire to dissolve the boundary between English and Gypsy worlds By the beginning of the twentieth century she argues romantic identification with Gypsies had hardened

into caricature a phenomenon reflected in D H Lawrence's *The Virgin and the Gipsy* and thoroughly obscured the reality of Gypsy life and history

New Soviet Gypsies Brigid O'Keeffe, 2013-12-06 As perceived icons of indifferent marginality disorder indolence and parasitism Gypsies threatened the Bolsheviks' ideal of New Soviet Men and Women The early Soviet state feared that its Romani population suffered from an extraordinary and potentially insurmountable cultural backwardness and sought to sovietize Roma through a range of nation building projects Yet as Brigid O'Keeffe shows in this book Roma actively engaged with Bolshevik nationality policies thereby assimilating Soviet culture social customs and economic relations Roma proved the primary agents in the refashioning of so called backwards Gypsies into conscious Soviet citizens *New Soviet Gypsies* provides a unique history of Roma an overwhelmingly understudied and misunderstood diasporic people by focusing on their social and political lives in the early Soviet Union O'Keeffe illustrates how Roma mobilized and performed Gypsiness as a means of advancing themselves socially culturally and economically as Soviet citizens Exploring the intersection between nationality performance and self fashioning O'Keeffe shows that Roma not only defy easy typecasting but also deserve study as agents of history

Gypsies in Contemporary Egypt Alexandra Parrs, 2017 In *Gypsies in Contemporary Egypt* sociologist Alexandra Parrs draws on two years of fieldwork to explore how Dom identities are constructed negotiated and contested in the specifically Egyptian national context With an eye to the pitfalls and evolution of scholarly work on the vastly more studied European Roma she traces the scattered representations of Egyptian Dom from accounts of them by nineteenth century European Orientalists to their portrayal in Egyptian cinema as belly dancers in the 1950s and beggars and thieves more recently

From Coppersmith to Nurse Gunilla Lundgren, Alyosha Taikon, 2003 The life of Alyosha Taikon the Swedish born son of a coppersmith a member of the Kalderash clan of Romanies from Hungary After working as a coppersmith and in the family circus he trained to be a male nurse a decision which led to his rejection by the Gypsy community

Gypsies in Germany and Italy, 1861-1914 J. Illuzzi, 2014-05-09 By the early 20th century Gypsies in Germany and Italy were pushed outside the national community and subjected to the arbitrary whims of executive authorities This book offers an account of these exclusionary policies and their links to the rise of nationalism liberalism and the modern bureaucratic state

Between Two Fires Alaina Lemon, 2000-07-20 The gypsies of Russia and the part they have played in both Soviet and Post Soviet society

The Gypsy Debate Joanna Richardson, 2017-02-13 Joanna Richardson explores the extent to which modes of discourse reflect antipathy towards gypsies and travellers and control and shape the treatment of this minority group by the rest of society The focus is housing policy but her discussion has a wide application

Gypsies and Travellers Richardson, Joanna, Ryder, Andrew, 2012-09-12 The eviction at Dale Farm in the UK in 2011 brought the conflicting issues relating to Gypsy and Traveller accommodation to the attention of the world's media However as the furore surrounding the eviction has died down the very pressing issues of accommodation need inequality of access to education healthcare and employment and exclusion from British and European society is still very much evident

This topical book examines and debates a range of themes facing Gypsies and Travellers in British society including health social policy employment and education It also looks at the dilemmas faced in representing disadvantaged minority groups in media and political discourse theories on power control and justice and the impact of European initiatives on inclusion Gypsies and Travellers Empowerment and inclusion in British society will be of interest to students academics policy makers practitioners those working in the media police education and health services and of course to Gypsies and Travellers themselves

The Role of the Romanies Nicholas Saul, Susan Tebbutt, 2005-01-01 Since the arrival of the Gypsies or Romanies in Europe at the beginning of the eleventh century Europeans have simultaneously feared and romanticized them That ambiguity has contributed to centuries of confusion over the origins culture and identity of the Romanies a confusion that too often has resulted in marginalization persecution and scapegoating The Role of the Romanies brings together international experts on Romany culture from the fields of history sociology linguistics and anthropology to address the many questions and problems raised by the vexed relationship between Romany and European cultures The book's first section considers the genesis development and scope of the field of Romany studies while the second part expands from there to consider constructions of Romany culture and identity Part three focuses on twentieth century literary representations of Romany life while the final part considers how the role of the Romanies will ultimately be remembered and recorded Together the essays provide an absorbing portrait of a frequently misunderstood people

The Harms of Hate for Gypsies and Travellers Zoë James, 2020-09-24 Gypsies and Travellers have often been overlooked as victims of hate crime and discrimination This book redresses that exclusion by shining a light on the harms of hate experienced by Gypsies and Travellers in the UK In doing so James explores how hate permeates all aspects of their lives and identifies the hate crimes incidents and speech that they are subject to It goes on to explore how hate against Gypsies and Travellers occurs as discrimination social exclusion and criminalisation and how that hate is embedded within the language and practice of neoliberal capitalism This book provides new insights to critical criminology and ways of understanding hate by using the critical hate studies perspective to gain a full appreciation of the harms of hate As a consequence of this the book is able to do justice to Gypsies and Travellers experiences of hate by extrapolating how harms manifest and the impact they have on Gypsies and Travellers social and personal identities The book explains and acknowledges how hate harms imbue Gypsies and Travellers daily lives including common events of serious abuse and assault regular ill treatment in provision of services and everyday micro aggressions It argues hate experienced by Gypsies and Travellers can only be fully recognised through an analysis of the neoliberal capitalist context within which it occurs and the harmful subjective experience it engenders The author's expertise in this area having carried out research with Gypsies and Travellers for 25 years underpins the book with excellent empirical knowledge and research informed discussion

No Place to Call Home Katharine Quarmby, 2013-08-01 The shocking poignant story of eviction expulsion and the hard scrabble fight for a home They are

reviled For centuries the Roma have wandered Europe during the Holocaust half a million were killed After World War II and during the Troubles a wave of Irish Travellers moved to England to make a better safer life They found places to settle down but then as Occupy was taking over Wall Street and London the vocal Dale Farm community in Essex was evicted from their land Many did not leave quietly they put up a legal and at times physical fight Award winning journalist Katharine Quarmby takes us into the heat of the battle following the Sheridan McCarthy Burton and Townsley families before and after the eviction from Dale Farm to Meriden and other trouble spots Based on exclusive access over the course of seven years and rich historical research No Place to Call Home is a stunning narrative of long sought justice **Counter-Hegemony and the Irish "Other"** Michael Hayes,2009-10-02

This volume hopes to act as a catalyst for some new and exciting areas of enquiry in the more liminal interstices of Irish Studies Traveller Studies Romani Studies and Diaspora and Migration Studies These disciplines are all relatively new areas of enquiry in modern Ireland a country whose society has witnessed very rapid and wide ranging cultural and demographic change within the short space of a decade The issue of multiculturalism is not one which is particularly new to Irish society as a number of contributors to this volume point out What is new however is an increased acknowledgement of diversity and multiculturalism in Ireland and Europe as a whole Such an acknowledgement makes increased dialogue between mainstream society older minorities such as the Irish Travellers and the many newer immigrant communities such as the Roma all the more necessary For such constructive dialogue to take place it is vital that the voices of Travellers and Roma are listened to and that their distinctive worldview be given due acknowledgement and respect It is hoped that this volume will go some way towards the development of such a process **The Guitar** Harvey Turnbull,2006

Travellers through Time Jeremy Harte,2023-07-12 An accessible history of the Roma people in England told from the inside The Romany people have been variously portrayed as exotic strangers or as crude violent delinquent gypsies For the first time this book describes the real history of the Romany in England from the inside Drawing on new archival and first hand research Jeremy Harte vividly describes the itinerant life of the Romany as well as their artistic traditions unique language and flamboyant ceremonies Travelers through Time tells the dramatic story of Romany life on the British margins from Tudor times through today filled with vivid insights into the world of England s large Romany population Living Legacies of Social Injustice Chris Beasley,Pam Papadelos,2023-08-14

Through a wide range of international and interdisciplinary case studies this book develops the notion of legacy and in particular living legacy that is it explores power relations in the context of time as a means to considering and challenging social injustice Legacies of social injustice are very frequently erased denied or declared redundant Framed by the concept of legacy this book does not conceive legacy as simply referring to relics of the past or to cultural heritage practices and artifacts Instead the book focuses upon living legacies understood as ongoing actively engaged in the re constitution of power relations and influential in the development of alternative political imaginaries Through a variety of studies from many different contexts including

Indigenous trauma in Australia displacement in Beirut women travellers in Scotland and heteronormativity in Hollywood the book draws not only upon historiographic sociological legal political cultural and other disciplinary approaches but also specifically makes use of feminist and postcolonial perspectives Foregrounding the legacies of inequality and marginalisation it contributes to a re thinking of power and social change in ways that together suggest potential means for unsettling and reimagining such legacies This book will appeal to an interdisciplinary range of readers with interests and concerns in the broad area of social justice but especially to those working in sociolegal studies sociology gender studies indigenous studies and politics

Dynamics of National Identity and Transnational Identities in the Process of European Integration

Elena Marushiakova, 2021-02-03 This collection was inspired by the international conference Dynamics of National Identity and Transnational Identities in the Process of European Integration organized by the Balkan Ethnology Department of the Ethnographic Institute and Museum at the Bulgarian Academy of Sciences and realized as project of the European Commission Jean Monnet Action Program for the support of Study and Research Centers The book opens a debate on the changing notions of identity in the region of Central and Eastern Europe on the base of analysis of social developments influenced by EU accession and EU integration process The most important aspect is the analysis of processes of breaking up the borders of national identity and transition towards new forms of transnational identities and emerging of consciousness of All European unity The book has a dual focus on general topics related to the study of national and transnational identities and on the process of European integration It brings together the work of researchers not only from different parts of Europe from France to Russia but from USA and Asia too This book is a starting point for East West discussion and brings new knowledge that will be an invaluable contribution to the common European research area

From Dust to Digital

Maja Kominko, 2015-02-16 Much of world s documentary heritage rests in vulnerable little known and often inaccessible archives Many of these archives preserve information that may cast new light on historical phenomena and lead to their reinterpretation But such rich collections are often at risk of being lost before the history they capture is recorded This volume celebrates the tenth anniversary of the Endangered Archives Programme at the British Library established to document and publish online formerly inaccessible and neglected archives from across the globe From Dust to Digital showcases the historical significance of the collections identified catalogued and digitised through the Programme bringing together articles on 19 of the 244 projects supported since its inception These contributions demonstrate the range of materials documented including rock inscriptions manuscripts archival records newspapers photographs and sound archives and the wide geographical scope of the Programme Many of the documents are published here for the first time illustrating the potential these collections have to further our understanding of history

Roma Education in Europe

Maja Miskovic, 2013-07-18 For the last three decades the international response to the adverse conditions of Roma has been intensive producing a plethora of educational policies reforms and strategies that have been developed and implemented This

edited volume gathers together prominent international scholars advocates and activists with the purpose of offering a comprehensive and integrated understanding of how historical political and cultural forces shape educational experiences and social policy for the Roma population in Europe The book uses theoretical and empirical lenses to understand the formal and informal education of Roma Through the contextualised theorisation of Roma education it illustrates illuminates and discusses issues of wider concern Interdisciplinary conceptual frameworks bind the chapters together and offer an in depth examination of the questions and issues relevant to the field of education structuring the book around three central themes schooling and social policy the promises and pitfalls of multiculturalism integration and inclusion and the deconstruction of educational policies and law education inside and outside schools empirical accounts of life in school and the achievements and missed opportunities of the Decade of Roma Inclusion participation activism and advocacy investigating the responsibilities of Roma and non Roma intellectuals educators activists and advocates Roma Education in Europe grapples with uneven economic and political developments and as a result with the possibilities and shortcomings of integration social justice and the role of supranational agencies in changing the course of schooling and education The book will be key reading for those researching or studying Romani studies education sociology and cultural ethnicity and immigration studies
