## **School Administrator Internship Handbook Leading Mentoring And Participating In The Internship Program:**

The School Administrator Internship Handbook Ronald L. Capasso, John C. Daresh, 2001 Plan conduct and evaluate effective internship experiences School administration internships are a central ingredient in any preservice program and they can be very effective if they are well organized and well designed Capasso and Daresh have created a blueprint for an effective internship program that can turn preservice administrators into transformational leaders not simply organizational survivors The School Administrator Internship Handbook is written for the intern to both understand the internship program and the roles of all of the participants in the program The book helps the intern self assess leadership ability challenge one's commitment to the field become a reflective practitioner and collaborate with the field mentor and the university faculty member to make the internship a rich and valuable experience Internship directors will find that the handbook addresses them as well providing opportunities to assess students abilities to take theory to practice develop community outreach programs and assess the effectiveness of the entire preservice program And mentors will get a clear understanding of their role in facilitating the intern's experience Other key topics include Examining current practices Establishing goals and objectives Defining internship standards Preparing project proposals Developing leadership skills Understanding the roles of the participants Evaluating and assessing the participants and the program Moving beyond the internship Finally an effective blueprint for preservice programs This practical guide is designed for everyone involved in the school administrator internship especially the men and women who will be stepping into assistant principalships principalships and other administrative roles Ronald L Capasso is currently an Associate Professor of Educational Leadership at Rowan University Glassboro New Jersey He has spent 30 years in public school education having served twelve years as a superintendent of schools in Pennsville New Jersey and five years as an Assistant Superintendent of Schools in Ramsey New Jersey He has also served as a consultant and speaker for the U S Office of Education the New Jersey State Department of Education and various government agencies and school districts John C Daresh has spent more than 20 years in higher education having served as a faculty member and administrator at the University of Texas at El Paso the University of Northern Colorado Ohio State University and the University of Cincinnati He has also worked as a consultant and speaker for school districts universities and state departments of education across the United States and in England

**The Essential College Professor** Jeffrey L. Buller, 2009-12-21 The Essential College Professor is about the how and why of being a faculty member today Based on the author's series of highly successful faculty development workshops each chapter deals concisely with the most important information college professors need at their fingertips when confronted by a particular challenge or faced with an exciting opportunity Written both as a comprehensive guide to an academic career and as a ready reference to be consulted whenever needed The Essential College Professor emphasizes proven solutions over untested theories and stresses what faculty members have to know now in order to be successful in their careers Each chapter is concluded by a short

exercise that faculty members can perform to help them for instance completely revise a course by restructuring the syllabus and course materials bring new life to a research project by reframing it as a book proposal or grant application and so on

Sanzo, 2014-08-01 The School Leadership Program SLP is a federal grant sponsored by the United States Department of Education A hallmark of the grant is the connectivity

between various agencies to provide quality leadership preparation and development programs for aspiring and current school leaders. These collaborative efforts involve community and educational stakeholders including districts, universities, city agencies, not-for-profit entities, foundations, private academic organizations, and others involved in the development of school leaders. Since its inception in 2002, over one hundred grants have been funded. This edited book's purpose is to share innovative research-based practices from the federally funded grants that are sustainable after the life of the grant and are able to be used throughout the field for preparing and developing aspiring and current school leaders. This book features the work of current and past grantees around their innovative practices and lessons learned about school leadership preparation and development, especially around the issue of sustainability of these practices upon completion of the grant. SLP Grantees share practical, usable lessons learned from their experiences with the grants based on their research project data and practical experience.
