Why Choose Dehradun for Education

ABOUT

The beautiful Dehradun, the capital city of Uttarakhand is visited by a great number of tourists each year for its amazing landscape and enjoyable weather. Dehradun is not only a popular hill resort, but the city is home to a number of top residential or boarding schools of India. The schools have gained affiliation from the Central Board of Secondary Education (CBSE), National Open Schools and Indian Certificate of Secondary Education (ICSE).

EDUCATIONAL

- Some of the celebrated educational schools of Dehradun include names such as Ecole Globale, The Asian School Doon School etc. The town has 2 very prestigious colleges, Indian Military Academy (IMA) and the Forest Research Institute of India.

PROCEDURE

01

Many schools in the city are spread across large acres facilitating scope for extra-curriculum activities. So, your kid is not just limited to classroom knowledge, but also gets to develop overall.

02

The location of the city also makes sure that a school can take their students for field trips in and around Dehradun.

03

Also, many schools have facilities for boarding or are residential and this Irish Christian Missionary legacy still keeps going and students from far get the chance to experience world class standards in teaching.

04

The property prices in Dehradun are still minimal as well as it is not very difficult for a school to open shop here with government support. It has been seen that the government cuts the property prices in the city for the benefit of the schools, when the situation demands.
