Evertson,Carol S. Weinstein,2013-10-31 Classroom management is a topic of enduring concern for teachers administrators and the public It consistently ranks as the first or second most serious educational problem in the eyes of the general public and beginning teachers consistently rank it as their most pressing concern during their early teaching years Management problems continue to be a major cause of teacher burnout and job dissatisfaction Strangely despite this enduring concern on the part of educators and the public few researchers have chosen to focus on classroom management or to identify themselves with this critical field The Handbook of Classroom Management has four primary goals 1 to clarify the term classroom management 2 to demonstrate to scholars and practitioners that there is a distinct body of knowledge that directly addresses teachers managerial tasks 3 to bring together disparate lines of research and encourage conversations across different areas of inquiry and 4 to promote a vigorous agenda for future research in this area To this end 47 chapters have been organized into 10 sections each chapter written by a recognized expert in that area Cutting across the sections and chapters are the following themes First positive teacher student relationships are seen as the very core of effective classroom management Second classroom management is viewed as a social and moral curriculum Third external reward and punishment strategies are not seen as optimal for promoting academic and social emotional growth and self regulated behavior Fourth to create orderly productive environments teachers must take into account student characteristics such as age developmental level race ethnicity cultural background socioeconomic status and ableness Like other research handbooks the Handbook of Classroom Management provides an indispensable reference volume for scholars teacher educators in service practitioners and the academic libraries serving these audiences It is also appropriate for graduate courses wholly or partly devoted to the study of classroom management **Administrator's Complete School Discipline Guide** Robert D. Ramsey,1994-10-25 Provides advice for administrators about establishing positive safe learning environments and dealing with discipline issues discussing building trust celebrating diversity successful peer counseling after school programs security gangs drugs sexual harassment relationships with parents and other related topics Inclusive Educational Administration Mary Konya Weishaar,Phillip M. Weishaar,John C. Borsa,2014-01-30 The belief that regular and special education administrators should work together to create and maintain successful education programs for all students is not new nor is the assumption that administrator preparation programs should foster the development of an inclusive approach yet this critical educational partnership has not reached its full potential Despite the lack of agreement within the federal legislative branch on exactly what should be changed within our education system some promising points of consensus have emerged competitive grants college and career readiness multi tiered systems of support common core standards a rewards based rather than punitive

system for school improvement the critical role of effective teachers and principals increased school choice options and evidence based learning strategies particularly in high need schools The third edition stresses the importance of these key points Each chapter features case studies that simulate real life situations readers are likely to encounter in their careers as administrators Within the safety of the classroom they will rehearse controversial scenarios involving inclusive school governance school reform identification and placement conflict resolution program evaluation fiscal issues transportation and discipline Enhanced practice situations and role play exercises emphasize the special education administrator s role in resolving difficult situations The case study approach is an effective learning tool for aspiring special and regular education administrators and instructors alike fostering enthusiastic classroom discussion and critical thinking about potential solutions to today s complex problems in inclusive educational administration Student Discipline Strategies Oliver C. Moles,1990-08-27 Almost a third of public school teachers have considered leaving teaching because of student misbehavior When asked what were the greatest problems facing their local schools respondents to Gallup polls have cited discipline first almost every year back to the early 1970s Discipline problems may range from crimes in schools such as robbery and drug dealing committed by students or intruders to lack of respectful behavior toward teachers and classmates and the spectrum from crimes to disrespect is discussed in the chapters of this ground breaking volume This collection by leading scholars should be useful to social scientists educational researchers educators and school administrators all those who need to understand how specific and manipulable features of schools classrooms and their surrounding environments affect the course of student behavior and prospects for sustained improvement in the discipline climate in schools The information in these chapters provides many practical ideas as well as some cautions for trying new approaches to make schools more orderly learning environments for all students School Discipline and Self-Discipline George G. Bear,2010-06-03 How can schools create safe well supervised classroom environments while also teaching students skills for managing their behavior on their own This invaluable guide presents a framework for achieving both of these crucial goals It shows how to balance external reinforcements such as positive behavior supports with social emotional learning interventions Evidence based techniques are provided for targeting the cognitive and emotional processes that underlie self discipline both in classroom instruction and when correcting problem behavior Describing how to weave the techniques together into a comprehensive schoolwide disciplinary approach the book includes over a dozen reproducible forms checklists and assessment tools The large size format facilitates photocopying This book is in The Guilford Practical Intervention in the Schools Series edited by Sandra M Chafouleas **Indigenous Educational Leadership Through Community-Based Knowledge and Research** Robin Zape-tah-hol-ah Minthorn,Shawn L.
