define the field for the period of time it covers Volume IV follows in this tradition The editors extensively reviewed the  
reading research literature since the publication of Volume III in 2000 as portrayed in a wide array of research and  
practitioner based journals and books to identify the themes and topics covered As in previous volumes the focus is on  
reading research rather than a range of literate practices When taken as a set the four volumes provide a definitive history of  
reading research Volume IV brings the field authoritatively and comprehensively up to date *Competition Science Vision*
