The Politics of Prudence Russell Kirk,2014-04-08 In this classic title Kirk outlines ten principles of conservative thought summarizes ten vital conservative books and offers brief accounts of ten eminent internationally important conservatives This book written by the founder of modern conservatism in America reflects several decades of learning travel and practical politics *Catalog of Copyright Entries. Fourth Series* Library of Congress. Copyright Office,1967 *School and Society* ,1927 **How Books Can Save Democracy** Michael Fischer,2025-09-09 How Books Can Save Democracy argues that American democracy is in crisis as healthy disagreement has pivoted into negative winner take all contests Michael Fischer

proposes that literature is an essential tool to rekindle the relationships and mutual understanding that functional democracies require By participating in reading writing and discussions about literature with diverse perspectives whether in classrooms or book clubs or at public festivals we can discover how to embrace our differences rather than fear them enabling the empathy and collaborative spirit needed to sustain a democratic society How Books Can Save Democracy illustrates how literature from classics to contemporary works fosters nuanced thinking and the ability to find common ground despite our differences Fischer draws insightful connections and examines how great literature throughout history has diagnosed societal democratic challenges discussing the works of Zadie Smith Charles Dickens Alexis de Tocqueville Hannah Arendt Philip Roth Ezra Klein Bishop Desmond Tutu and many others For anyone concerned about polarization and democratic backsliding he provides evidence that the reading writing and discussion of powerful texts may be our most valuable and overlooked democratic resource How Books Can Save Democracy is essential reading for educators community leaders and anyone concerned about the future of American democracy Now more than ever we need works of literature to help us benefit from our differences instead of being threatened by them and our bookshelves may hold the solution to this pressing civic challenge **School and Home Education** ,1919
