MacKay,2017-06-01 One unexpected night ED nurse Tamara Washington had everything until her life was publicly destroyed by her ex She s hidden herself away ever since focusing only on her patients Then one hot night with her boss Dr Conor Maguire upends her world again With consequences Now Tamara is pregnant and Conor faces being a father something he never anticipated But if they face their fears together maybe they could become a family because with Tamara in his arms anything seems possible *Bird* Noy Holland,2015-11-01 This is a novel about the persistence of longing in which the twin lives of the title character blur and overlap Bird puts her child on the bus for school and passes the day with her baby Interwoven into the passage of the day are phone calls from a promiscuous unmarried friend and Bird s recollection of the feral reckless love she knew as a young woman It s a day infused with fear and longing an exploration of the ways the past shapes and dislodges the present In the present moment Bird dutifully cares for her husband infant older child But at the same time Bird inhabits this rehabilitated domestic life she re lives an unshakeable passion Mickey the lover she returns to with what feels like a migratory impulse Mickey whose movements and current lovers she still tracks With Mickey she slummed and wandered part time junkie tourist of the low life a life of tantalizing peril This can t last Bird thought and it was true Noy Holland s writing is lyrical fired by a heightened eroticism in which every sight and auditory sensation is charged with arousal The writing in this book Noy Holland s first novel is fearless in its depiction of sexual appetite and obsessive love It sheds light on the terror of abandonment and the terrible knowledge that we are helpless to protect not only ourselves but the people we most love *Publishers Weekly* ,1986 *Subject Guide to Children's Books In Print*, 1996 R R Bowker Publishing,1996 **Some Things That Meant the World to Me** Joshua Mohr,2009-07-01 An imaginative gritty tale that introduces a fresh new voice in American literature **United States Army Aviation Digest** ,1972 *Life Lessons for*

my foster mother stormed downstairs only to yank me out the bed She was screaming at me to take off the sheets and put them in a tub of water to wash I was exhausted and terrified All I knew was I had to do what she said no matter how frightened I was I pushed the sheets into the water again and again still half asleep I felt a firm grip on the back of my head and in seconds she was thrashing my head in and out of the water like I did the sheets only moments ago I had barely enough time to get a breath in All I could hear was the splash of water and my foster mother yelling the words You will never pee in the bed again I truly thought I was going to die then but like any other five year old I was told to go back to bed afterward
