Long Labrador Trail:

The Long Labrador Trail Dillon Wallace, 1907 Author's expedition 1905-1906 from Hamilton Inlet to Lake Michikaman along the route followed by Leonidas Hubbard Jr in 1903 Botanical geological and meteorological appendix with tables

The Long Labrador Trail Dillon Wallace, 2018-05-09 In the summer of 1903 when Leonidas Hubbard Jr went to Labrador to explore a section of the unknown interior it was my privilege to accompany him as his companion and friend The world has heard of the disastrous ending of our little expedition and how Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before his death I gave him my promise that should I survive I would write and publish the story of the journey In The Lure of The Labrador Wild that pledge was kept to the best of my ability While Hubbard and I were struggling inland over those desolate wastes where life was always uncertain we entered into a compact that in case one of us fell the other would carry to completion the exploratory work that he had planned and begun Providence willed that it should become my duty to fulfil this compact and the following pages are a record of how it was done Not I but Hubbard planned the journey of which this book tells and from him I received the inspiration and with him the training and experience that enabled me to succeed It was his spirit that led me on over the wearisome trails and through the rushing rapids and to him and to his memory belong the credit and the honor of success

The Long Labrador Trail Dillon Wallace, 2014-06-15 With scant scraps of food remaining the three began a desperate struggle against starvation and the rapidly approaching and unforgiving winter as they raced home for their lives In the summer of 1903 Dillon Wallace had the privilege to accompany his friend Leonidas Hubbard Jr to explore a section of the unknown interior of Labrador The expedition had a disastrous ending and Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before Hubbard's death Dillon Wallace gave him his promise that should he survive he would write and publish the story of the journey In The Lure of The Labrador Wild that pledge was kept While Hubbard and Wallace were struggling inland over those desolate wastes where life was always uncertain they entered into a pact that in case one of them fell the other would carry to completion the exploratory work that Hubbard had planned and begun Providence willed that it should become the duty of Dillon Wallace to fulfill this pact You will read the amazing record of this real life story in The Long Labrador Trail
