## **Long Live Disco:**

*Disco's Out...Murder's In!* Heath Mattioli, David Spacone, 2015-10-19 Famous for its revolutionary aspects in musical political sexual identity and consumerist ideas punk rock also has its lesser known gangster ethos as well explained here by players in the various punk gangs The Los Angeles Orange County and South Bay punk scenes populated by blue collar kids who responded to the violence and aggression of punk songs and shows A number of them formed punk gangs that got into beatings drug dealing and murder Among them no gang was more notorious than La Mirada Punks or LMP Says LMP chieftain Frank the Shank after getting arrested by police for murder After having my hands in so much bloodshed over the years I most certainly had it coming I deserved whatever I got Unexpectedly Frank was bailed out from prison by his father's friend a mob gangster Too many people died at the hands of punk rock violence said Frank I got lucky some didn't As an ultra violent punk rock gangster I admit my part in ruining the scene L A punk was a magical moment of youth expression like no other And the gangs ruined punk rock I still have people telling me today that they quit punk because of LMP I dig graves at a small cemetery just outside Los Angeles What else would you expect for Frank the Shank Cover illustration by the renowned Raymond Pettibon

*Time of My Life* Myf Warhurst, 2022-09-28 We all have a soundtrack to our lives songs that as soon as we hear them we're transported to a moment in time As the youngest child and only girl in a family of creative types Myf Warhurst grew up with the music in her Whether she was watching Daryl Braithwaite on TV on a Sunday night or listening to the crackle of the needle across vinyl as Agnetha and Anni Frid took her from rural Victoria to Eurovision music has always shaped Myf's life Later her love of music and the realisation that a professional pianist gig wasn't part of the plan would shape her career But music isn't just about memories It's a safe place for people who feel different Songs and lyrics helped Myf make sense of the world and deal with heartbreak and uncertainty Music steered her hopes and fashion choices cemented friendships and bonded family In *Time of My Life* she shares funny fabulous and occasionally fraught tales about growing up in a small country town with an unhealthy obsession with Countdown then working in Australian radio and her experiences on the much loved music quiz show Spicks Specks She spills the backstage beans on work fame feminism failure love and success Like a sommelier matches food with wine Myf matches hits with memory and in the process reminds us all that as Louis Armstrong said Music is life itself A captivating and joyous memoir of wisdom humour and heart that unleashes the music within us all

*Love Saves the Day* Tim Lawrence, 2004-02-02 Opening with David Mancuso's seminal *Love Saves the Day* Valentine's party Tim Lawrence tells the definitive story of American dance music culture in the 1970s from its subterranean roots in NoHo and Hell's Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago Boston San Francisco Los Angeles Newark and Miami Tales of nocturnal journeys radical music making and polymorphous sexuality flow through the arteries of *Love Saves the Day* like hot liquid vinyl They are interspersed with a detailed examination of the era's most powerful DJs the venues in which they

played and the records they loved to spin as well as the labels musicians vocalists producers remixers party promoters journalists and dance crowds that fueled dance music's tireless engine Love Saves the Day includes material from over three hundred original interviews with the scene's most influential players including David Mancuso Nicky Siano Tom Moulton Loleatta Holloway Giorgio Moroder Francis Grasso Frankie Knuckles and Earl Young It incorporates more than twenty special dj discographies listing the favorite records of the most important spinners of the disco decade and a more general discography cataloging some six hundred releases Love Saves the Day also contains a unique collection of more than seventy rare photos

**How Does It Sound Now?** Gary Gottlieb, 2025-06-04 How Does It Sound Now features 32 interviews with top engineers and producers who have contributed to hundreds of millions of albums and CDs throughout their combined careers including a new interview with Leslie Gaston Bird for this second edition Winner of the 2010 Association for Recorded Sound Collections Award for Excellence in Historical Recorded Sound Research the second edition of How Does It Sound Now allows readers to benefit from the collective experience of 32 industry heavyweights whose interviews provide a comprehensive overview of the changes in methodology and equipment over the last 60 years The collection focuses on engineers who made the transition through different technologies analog to digital wire to tape and CD to mp3 and explores the methodology they employed when confronted with new and evolving technology With a wide range of interviewees from Phil Ramone to Geoff Emerick discussions are centered around how producers and

engineers retain quality and continue to create a product that conforms to their own high standards in the face of changing technologies The techniques described will be valuable to students of audio history or theory and recording courses and will also be of interest to audio professionals including home recordists and studio owners who can use this book to educate their staff and offer to clients

**Invictus** John Carlin,2009-11-18 Read the book that inspired the Academy Award and Golden Globe winning 2009 film INVICTUS featuring Morgan Freeman and Matt Daymon directed by Clint Eastwood Beginning in a jail cell and ending in a rugby tournament the true story of how the most inspiring charm offensive in history brought South Africa together After being released from prison and winning South Africa s first free election Nelson Mandela presided over a country still deeply divided by fifty years of apartheid His plan was ambitious if not far fetched use the national rugby team the Springboks long an embodiment of white supremacist rule to embody and engage a new South Africa as they prepared to host the 1995 World Cup The string of wins that followed not only defied the odds but capped Mandela s miraculous effort to bring South Africans together again in a hard won enduring bond

**Devil's Mile** Alice Sparberg Alexiou,2024-07-02 Devil s Mile tells the rip roaring story of New York s oldest and most unique street The Bowery was a synonym for despair throughout most of the 20th century The very name evoked visuals of drunken bums passed out on the sidewalk and New Yorkers nicknamed it Satan s Highway The Mile of Hell and The Street of Forgotten Men For years the little businesses along the Bowery stationers dry goods sellers jewelers hatters periodically asked the city to change the street s name To have a Bowery address they claimed was hurting them people did not want to venture there But when New York exploded into real estate frenzy in the 1990s developers discovered the Bowery They rushed in and began tearing down Today Whole Foods hipster night spots and expensive lofts have replaced the old flophouses and dive bars and the bad old Bowery no longer exists In Devil s Mile Alice Sparberg Alexiou tells the story of the Bowery starting with its origins when forests covered the surrounding area and through the pre Civil War years when country estates of wealthy New Yorkers lined this thoroughfare She then describes the Bowery s deterioration in stunning detail starting in the post bellum years She ends her historical exploration of this famed street in the present bearing witness as the old Bowery buildings and the memories associated with them are disappearing

**Play It On My Radio** Giselle Renarde,1901 Join award winning queer Canadian author Giselle Renarde for a year s worth of music and memories As we listen to songs from a variety of genres Giselle shares anecdotes about growing up in the 80s being a teen of the 90s and listening to the radio on those long and lonely nights in her first apartment Accompany Giselle on a musical journey as she revisits the days of her youth through song From the introduction to Play It On My Radio My name is Giselle and I m your new best friend Well maybe not best friend A best friend usually listens in addition to talking but that s not me What I will do is be here every day to share whichever song pops into my head Why What s the point Well here s the thing I m a writer It s a pretty lonely job Over the years I ve become increasingly socially isolated and you know what It sucks It sucks bad The truth of the matter is that a lot of us are socially isolated these

days And not just older people younger ones too There are friendly visitor programs for seniors but those of us under 65 are kind of lost at sea I speak from experience If you need a no pressure visit every day let me be your friendly visitor I ll bring a song whichever song pops into my head gets stuck in my head or seems relevant to something that day As a person with chronic depression music has helped me more than anything It s magic I swear I hope my little musical visits will give you something to look forward to every day because they ll certainly do that for me     Playing the Enemy John

Carlin,2008-08-14 Read the book that inspired the Academy Award and Golden Globe winning 2009 film INVICTUS featuring Morgan Freeman and Matt Daymon directed by Clint Eastwood Beginning in a jail cell and ending in a rugby tournament the true story of how the most inspiring charm offensive in history brought South Africa together After being released from prison and winning South Africa s first free election Nelson Mandela presided over a country still deeply divided by fifty years of apartheid His plan was ambitious if not far fetched use the national rugby team the Springboks long an embodiment of white supremacist rule to embody and engage a new South Africa as they prepared to host the 1995 World Cup The string of wins that followed not only defied the odds but capped Mandela s miraculous effort to bring South Africans together again in a hard won enduring bond     **Hold On to Your Dreams**

Tim Lawrence,2009-10-23 Hold On to Your Dreams is the first biography of the musician and composer Arthur Russell one of the most important but least known contributors to New York s downtown music scene during the 1970s and 1980s With the exception of a few dance recordings including Is It All Over My Face and Go Bang 5 Russell s pioneering music was largely forgotten until 2004 when the posthumous release of two albums brought new attention to the artist This revival of interest gained momentum with the issue of additional albums and the documentary film Wild Combination Based on interviews with more than seventy of his collaborators family members and friends Hold On to Your Dreams provides vital new information about this singular eccentric musician and his role in the boundary breaking downtown music scene Tim Lawrence traces Russell s odyssey from his hometown of Oskaloosa Iowa to countercultural San Francisco and eventually to New York where he lived from 1973 until his death from AIDS related complications in 1992 Resisting definition while dreaming of commercial success Russell wrote and performed new wave and disco as well as quirky rock twisted folk voice cello dub and hip hop inflected pop He was way ahead of other people in understanding that the walls between concert music and popular music and avant garde music were illusory comments the composer Philip Glass He lived in a world in which those walls weren t there Lawrence follows Russell across musical genres and through such vital downtown music spaces as the Kitchen the Loft the Gallery the Paradise Garage and the Experimental Intermedia Foundation Along the way he captures Russell s openness to sound his commitment to collaboration and his uncompromising idealism     **The Kings of Dance**

### **Long Live Disco Introduction**

In today's digital age, the availability of Long Live Disco books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Long Live Disco books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Long Live Disco books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Long Live Disco versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Long Live Disco books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Long Live Disco books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Long Live Disco books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Long Live Disco books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Long Live Disco books and manuals for download and embark on your journey of knowledge?
