Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity *Long Night's Journey into Day* centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the

world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s *The Long Night* Stanley John Weyman, 1903 **God'S Grace: a Long Night'S Journey into Day** Leta H. Montague, 2011-06-29 Gods Grace briefly discusses the issues and pain associated with divorce The main thrust of the book is to show how Gods mercy and grace was manifested during the long journey of the divorce The author tries to show that even though divorce is not Gods will he provides and cares for his children through that long journey and he does not let them walk alone *We walk life's roads all alone* Artime Useini, 2024-12-17 I had to go through a lot on my own so today I no longer feel alone I have myself Artime Useini describes her journey from little girl to strong independent woman Her childhood is characterized by the clash of several cultures sometimes she lives in her home country of Macedonia then again in a village in Switzerland because her father works there Here the security of the extended Albanian family there the demands of her new home country here living tradition there modern thinking She is constantly having to adapt Manipulative influences repeatedly block her independent learning However her escape from a marriage that happened more by chance than by choice as well as the responsibility for her beloved son make her even stronger For the Sun After Long Nights Fatemeh Jamalpouri, Nilo Tabrizy, 2025-09-16 A moving exploration of the 2022 women led protests in Iran as told through the interwoven stories of two Iranian journalists Unlike anything I've read A searing courageous and ultimately beautiful book filled with the spirit of the movement that it covers Ben Rhodes author of *The World as It Is* A Memoir of the Obama White House In September 2022 a young Kurdish woman Mahsa Jina Amini died after being beaten by police officers who arrested her for not adhering to the Islamic Republic's dress code Her death galvanized thousands of Iranians mostly women who took to the streets in one of the country's largest uprisings in decades the Woman Life Freedom movement Despite the threat of imprisonment or death for her work as a journalist covering political unrest state repression and grassroots activism in Iran which has led to multiple interrogation sessions and arrests Fatemeh Jamalpouri joined the throngs of people fighting to topple Iran's religious extremist regime And across the globe Nilo Tabrizy who emigrated from Iran with her family as a child covered the protests and state violence knowing that spotlighting the women on the front lines and the systemic injustice of the Iranian government meant she would not be able to safely return to Iran in the future Though they had met only once in person Nilo and Fatemeh corresponded constantly often through encrypted platforms to protect Fatemeh As the protests continued to unfold the sense of sisterhood they shared led them to embark on an effort to document the spirit and legacy of the movement and the history geopolitics and influences that led to this point At once deeply personal and assiduously reported *For the Sun After Long Nights* offers two perspectives on what it means to cover the stories that are closest to one's heart both in the forefront and from afar **Take Up Your Mat and Walk** Mark
