## Long Way To Shiloh:

**A Long Way to Shiloh** Lionel Davidson, 1966      **From Gaelic to Romantic** ,2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender      **The Stars for a Light** Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her      [The Richard Burton Diaries](#) Richard Burton, 2012-10-23 The personal diaries of the renowned actor and glamorous celebrity describe his life from 1939 to 1983 including his struggles with weight drinking and jealousy when other men looked at the love of his life Elizabeth Taylor      **The Map** Yasha, This is book 2 of the Tambolian Paradox book series      **A Woman's Voice** Marcella Bakur Weiner, Blema Feinstein, 2001 A Woman's Voice examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women      *Secret Place of Thunder* Lynn Morris, 2021-04-18 A disturbing letter from Cheney's great aunts brings her to their New Orleans plantation but what she discovers is more dangerous than she imagined Performing rituals and warnings leading to mysterious illnesses and crop failure a cult is trying to scare Cheney's relatives off the land Can she
