**The Spiritual Dimension of Alternative Medicine** Ernest M. Valea,2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine

*Awakening to the Spirit Within: Eight Paths* Pamela Smith Allen, PhD, 2003-09-12 The premise of Awakening to the Spirit Within is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world The Back Pain Bible Anthony Cichoke, 1999 For the millions of people affected by back pain this book presents strategies to prevent ease improve and even reverse these problems **Physical Activity and Health** United States. Public Health Service. Office of the Surgeon General, 1996 Promotes value of lifelong moderate exercise Physical Activity and Health Audrey F. Manley, 1996-11 This report is the first report of the Surgeon General on physical activity and health For more than a century the Surgeon General of the Public Health Service has focused the nation s attention on important public health issues Reports from Surgeons General on the adverse health consequences of smoking triggered nationwide efforts to prevent tobacco use Reports on nutrition violence and HIV AIDS to name but a few have heightened America s awareness of important public health issues and have spawned major public health initiatives This new report which is a comprehensive review of the available scientific evidence about the relationship between physical activity and health status follows in this notable tradition Scientists and doctors have known for years that substantial benefits can be gained from regular physical activity The expanding and strengthening evidence on the relationship between physical activity

and health necessitates the focus this report brings to this important public health challenge Although the science of physical activity is a complex and still developing field we have today strong evidence to indicate that regular physical activity will provide clear and substantial health gains In this sense the report is more than a summary of the science it is a national call to action
