Bitter Fruit Maureen Honey,1999 Despite the participation of African American women in all aspects of home front activity during World War II advertisements recruitment posters and newsreels portrayed largely white women as army nurses defense plant workers concerned mothers and steadfast wives This sea of white faces left for posterity images such as Rosie the Riveter obscuring the contributions that African American women made to the war effort In Bitter Fruit Maureen Honey corrects this distorted picture of women s roles in World War II by collecting photos essays fiction and poetry by and about black women from the four leading African American periodicals of the war period Negro Digest The Crisis Opportunity and Negro Story Mostly appearing for the first time since their original publication the materials in Bitter Fruit feature black women operating technical machinery working in army uniforms entertaining audiences and pursuing a college education The articles praise the women s accomplishments as pioneers working toward racial equality the fiction and poetry depict female characters in roles other than domestic servants and give voice to the bitterness arising from discrimination that many women felt With these various images Honey masterfully presents the roots of the postwar civil rights movement and the leading roles black women played in it Containing works from eighty writers this anthology includes forty African American women authors most of whose work has not been published since the war Of particular note are poems and short stories anthologized for the first time including Ann Petry s first story Octavia Wynbush s last work of fiction and three poems by Harlem Renaissance writer Georgia Douglas Johnson Uniting these various writers was their desire to write in the midst of a worldwide military conflict with dramatic potential for ending segregation and opening doors for women at home

Traditional anthologies of African American literature jump from the Harlem Renaissance to the 1960s with little or no reference to the decades between those periods *Bitter Fruit* not only illuminates the literature of these decades but also presents an image of black women as community activists that undercuts gender stereotypes of the era As Honey concludes in her introduction African American women found an empowered voice during the war one that anticipates the fruit of their wartime effort to break silence to challenge limits and to change forever the terms of their lives *Bikers* Dave Ebert,2011-02-02 KROM Brian Doyle,2025-04-11 In ancient times warriors followed a code of honor which granted them a place in Valhalla upon their death if they remained true to it However before this code existed many fought without honor Then a man named Krom was born known for his honor dignity and true warrior spirit His destiny was to bring forth the rise of Valhalla creating the code of honor and ensuring that every warrior who followed him would have a place to be remembered and honored *Unconditional Uncensored* Marybeth Sheridan,2010-11-03 An unflinching personal memoir of a mother s journey as she discovers her spirituality and strength while watching her child endure a devastating disease called Epidermolysis Bullosa Her journey takes her through the twists and turns of the medical world Told with a raw frankness and candor The love is unconditional and the stories are uncensored *Prophecy* Stephen H. King,2014-03-11 Mississippi girls may sometimes fantasize about becoming elf queens but Alyssa never expected to actually become one When her father shows up on her 18th birthday though he leads her into the beautiful and mysterious land of Kiirajanna where she will be tested severely on the path to a royal throne she never knew existed Follow her exploits and many rounds of heart blessings as she adapts to a new culture and way of life as well as both new friends and new enemies **Tales of Variadero** Albert Quintana,2025-04-27 Variadero My Ancestral Homeland Do you remember those days when your parents loaded up the car to go on vacation to a very special place May it be to where Mom or Dad were from or a camp out to the mountains The anticipation was great where the excitement would take place Variadero was that very special place where one s imagination runs wild As a child I would mark the days on a calendar before we d go on this dream vacation Tales of Variadero My Childhood Memories holds a foundation to share with the future generations of this beautiful village Variadero could be anywhere in the United States It symbolizes life history and memories which run rampant Variadero My Childhood Memories **The Hunt** Andrew C. Watzek,2011-08 When Adam Mac McCulough loses his wife Abby in 1876 he is left to bring up his four young daughters Sara Becky Julie and Angela Mac a rancher and the sheriff of nearby Elkhorn calls on his longtime friend Ezra Hawks a half White Mountain Apache to help him on his ranch and to raise his girls Together the men teach the daughters to shoot hunt fish track and survive in the wild Life rolls along for this unusual family but an incident from Mac s past comes back to haunt him Before settling down with Abby he worked as an Arizona Ranger and played a key role in the capture and conviction of a group of men who beat and raped a family in Prescott The men now released from jail track down Mac and exact their revenge Sara Becky Julie and Angela are determined not to let the men get away with the
