classic 1 New York Times bestseller and the basis for the massively successful films It Chapter One and It Chapter Two as well as inspiration for HBO Max's upcoming Welcome to Derry about seven adults who return to their hometown to confront a nightmare they had first stumbled upon as teenagers an evil without a name It Welcome to Derry Maine It's a small city a place as hauntingly familiar as your own hometown Only in Derry the haunting is real They were seven teenagers when they first stumbled upon the horror Now they are grown up men and women who have gone out into the big world to gain success and happiness But the promise they made twenty eight years ago calls them reunite in the same place where as teenagers they battled an evil creature that preyed on the city's children Now children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers Readers of Stephen King know that Derry Maine is a place with a deep dark hold on the author It reappears in many of his books including Bag of Bones Hearts in Atlantis and 11/22/63 But it all starts with It Stephen King's most mature work St Petersburg Times It will overwhelm you to be read in a well lit room only Los Angeles Times *Later* Stephen King, 2021-03-02 Part detective tale part thriller touching and genuine The New York Times 1 bestselling author Stephen King returns with a brand new novel about the secrets we keep buried and the cost of unearthing them 1 NEW YORK TIMES BESTSELLER THE SUNDAY TIMES BESTSELLER SOMETIMES GROWING UP MEANS FACING YOUR DEMONS The son of a struggling single mother Jamie Conklin just wants an ordinary childhood But Jamie is no ordinary child Born with an unnatural ability his mom urges him to keep secret Jamie can see what no one else can see and learn what no one else can learn But the cost of using this ability is higher than Jamie can imagine as he discovers when an NYPD detective draws him into the pursuit of a killer who has threatened to strike from beyond the grave LATER is Stephen King at his finest a terrifying and touching story of innocence lost and the trials that test our sense of right and wrong With echoes of King's classic novel It LATER is a powerful haunting unforgettable exploration of what it takes to stand up to evil in all the faces it wears Modest Mouse's The Moon & Antarctica Zachary Petit, 2024-11-14 In 1999 Modest Mouse struck out for Chicago to record their major label debut for Epic Records Amid indie circle cries of sellouts a largely untested producer and a half built studio the trio recorded the instrumental basics of The Moon Antarctica and then singer songwriter Isaac Brock got his face smashed by a hooligan in a park With barely any vocals recorded Brock emerged from the hospital with his jaw completely wired shut and returned to a mostly empty studio And there on a diet of painkillers in a neighborhood that wanted to purge the band from its borders a creative alchemy took place that would redefine Modest Mouse and indie rock at large The fact that the band finished the album at all is surprising The fact that it is now considered by critics as hands down one of the greatest records ever made NME is perhaps an utter miracle The Moon Antarctica is an album so strange and enigmatic from those sweet opening notes to the plunging depths of the middle to the shocking furious end that you almost hesitate to listen to it again for fear of it losing its chaotic magic But then you do and you discover all new sounds a lost harmonic here a stray

percussion element there a fresh interpretation of a lyric that leaves you thunderstruck And that ever looming question years on How the hell did Modest Mouse pull this off
