Pryor, 2004 Through essays poetry stories and images writers and artists offer their perceptions of how we fit into the world and where we might be headed Toward Post Ageing Katarina Friberg Felsted, Scott D. Wright, 2014-08-27 This book examines the emergent and expanding role of technologies that hold both promise and possible peril for transforming the ageing process in this century It discusses the points and counterpoints of technological advances that would influence a reconstruction of what it means to age when embedded in a post human vision for a post biological future The book presents a provocative interdisciplinary meta analysis that contrasts paradigms with inflection points making the case that society has entered a new inflection point provisionally labeled as Post Ageing It goes on to discuss the moderate and radical versions of this inflection point and the philosophical issues that need to be addressed with the advent of post ageing activities postponing and possibly ending ageing primarily through technological advances This book will be a

valuable resource for professionals who wish to review the continuum of varied constructs and intersects of technologies ranging from those purporting to enhance the activities of daily living in older adults to those that would enable the older worker to stay competitive in the labor market to those that propose to extend longevity and ultimately claim to transcend ageing itself moving toward a transhumanistic domain and more specifically a post ageing inflection point      *The Making of an Elder Culture* Theodore Roszak, 2009-09-01 Forty years later the audacious generation takes on the unfinished business of their counter culture youth It is a brilliant and highly original thesis I commend Roszak for writing the book Tom Pochari World Affairs Monthly sense of optimism that comes out in this book where Roszak champions the possibility of restoring that lost commitment to the ideals of libertion Tom Hartley The Summer of Love Vietnam Woodstock These are the milestones of the baby boomer generation Theodore Roszak chronicled in his 1969 breakthrough book *The Making of a Counter Culture* Part of an unprecedented longevity revolution those boomers form the most educated most socially conscientious politically savvy older generation the world has ever seen And they are preparing for Act Two *The Making of an Elder Culture* reminds the boomers of the creative role they once played in our society and of the moral and intellectual resources they have to draw upon for radical transformation in their later years Seeing the experience of aging as a revolution in consciousness it predicts an elder insurgency where boomers return to take up what they left undone in their youth Freed from competitive individualism military industrial bravado and the careerist rat race who better to forge a compassionate economy Who better positioned not only to demand Social Security and Medicare for themselves but to champion Entitlements for Everyone Fusing the green the gray and the just Eldertown can be an achievable truly sustainable future Part demographic study part history part critique and part appeal Theodore Roszak s take on the imminent transformation of our world is as wise as it is inspired and utterly appealing Theodore Roszak is the author of fifteen books including the 1969 classic *The Making of a Counter Culture* He is professor emeritus of history at California State University and lives in Berkeley California      *Sociology: A Down to Earth Approach* James M Henslin, Adam M Possamai, Alpha L Possamai-Inesedy, Tim Marjoribanks, Katriona Elder, 2015-05-20 James Henslin has always been able to share the excitement of sociology with his acclaimed down to earth approach and personal writing style that highlight the sociology of everyday life and its relevance to students lives Adapted for students studying within Australia this text now in a second edition has been made even more relevant and engaging to students With wit personal reflection and illuminating examples the local author team share their passion for sociology promote sociology to students and entice them to delve deeper into this exciting science Six central themes run throughout this text down to earth sociology globalisation cultural diversity critical thinking the new technology and the growing influence of the mass media on our lives These themes are especially useful for introducing the controversial topics that make studying sociology such a lively exciting activity      **Whole Earth** ,2002
