

But distance may also  
mean nothing  
To a pair of lover's  
hearts  
Who may be far apart  
But choose the path  
That may split into two  
But despite the divide  
Will still meet together  
and intertwine  
And thus erase any  
feeling of distance.

years husband addicted to online gambling waste business Xia Yuhan had to take charge of the family business for him to pay off the gambling debts On the crowded way back from work I ran into my husband holding a bright and beautiful little demoness in his arms Xia Yuhan dispiritedly decided to divorce her daughter along with her but her ex husband arrogantly said that giving up on her would be her loss The little goblin even took her ex husband s hand and swore to her Suddenly a refined and mature figure jumped out from the crowd He knelt down on one knee and raised the diamond ring in his hand Dearest please marry me

The Human Canvas AESHA SHAH,2025-08-06 THE HUMAN CANVAS is a poignant and introspective poetry collection that explores the intricate landscapes of human experience through lyrical verse and unflinching honesty these poems navigate the complexities of life love loss and identity With vivid imaginary and emotional depth they capture the beauty and fragility of the human spirit inviting readers to reflect on their own journeys and connections This collection is a testament to the resilience and vulnerability of the human heart painting a rich and nuanced portrait of what it means to be human

*A Symphony of Distances* Christopher M. Hadley,Christopher M. Hadley, SJ,2022-03-11 The two fold task of *A Symphony of Distances* is to provide an overview of Hans Urs von Balthasar s use of distance imagery with regard to personal distinctions in the Holy Trinity and to offer a critical analysis of him as a modern Catholic theologian A metaphor of distance integrates all of Balthasar s theological thought as a primary cipher for the many symbols through which he reads the Christian theological tradition in a trinitarian and eschatological mode The book follows a chronological four stage development of Balthasar s trinitarianism through the lens of this distance metaphor as it occurs across representative texts The critical analysis employs the conceit of a symphony of four musical movements that correspond to four varieties of theological distance These distances show certain correspondences of God s creation and redemption of the world marked by the first two distances with the relations of the divine persons to each other in the economy of salvation and in the eternal Trinity itself marked by the third and fourth distances Listening to the four movements of Balthasar s theological distances enables his readers to hear the themes of all four movements in the ascending order of richness complexity and inclusivity over the long development of his thought This fundamentally positive approach of *A Symphony of Distances* allows for a thorough critique of the internal consistency of Balthasar s applied method of the controversial use of gendered trinitarian notions in his speculations on divine pathos and of his adequacy to the tasks of modern theology The final judgment is that Balthasar s theology of distance can be accepted with reservations as a positive element of his contribution to contemporary trinitarian theology The book can thus serve as a critical reference for readers who find Balthasar s notion of trinitarian distance and indeed his trinitarianism as a whole to be compelling confusing or frustrating

**Christ and Culture** Graham Ward,2015-11-04 Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr s famous volume on *Christ and Culture* published in the 1970s Explores representations of Christ from sources as diverse as the New Testament
