Longing For My Child Reflections For Parents And Siblings After A Childs Death:

Longing for My Child Christine O'Keeffe Lafser,2010-06 Brothers and Sisters Henry Abramovitch,2014-10-07

Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s Brothers and Sisters explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister **Recovering from the Loss**

of a Sibling Katherine Fair Donnelly,2000-07-24 A book of hope and healing Recovering From the Loss of a Sibling is the first book for those who have experienced the death of a brother or sister It addresses the many questions fears and feelings of surviving siblings of all ages such as Will this soon happen to me It should have been me Why wasn t it God must have punished me for the time when I was so mean to my brother My sister was my parents favorite and I don t seem to count to them At work they have no idea what I m going through They think I m just a sibling All the focus is on my parents not my grief When a brother or sister dies surviving siblings may receive little support or even recognition of their pain Parents are so grief stricken at the loss of a child that they often find themselves unable to cope with the needs of their surviving children With family and friends concentrating on the parents tragedy the suffering of siblings often goes unnoticed These intimate true stories provide valuable insight demonstrating that the reader is not alone and that others have gone through this devastating experience and have survived In these pages sisters and brothers share their innermost feelings wanting others to gain comfort from their experiences The book also serves as a compassionate aid to friends co workers teachers family members and the helping professions **What Forever Means After the Death of a Child** Kay Talbot,2013-05-13 List of
