Longing To Be Free:

Free Will, Moral Responsibility, and the Desire to Be a God Bruce N. Waller, 2020-09-04 Free Will Moral Responsibility and the Desire to be a God explores the hidden corridors of the moral responsibility system to discover why that system is so widely accepted and passionately defended The moral responsibility system has obvious charms it provides justification for our powerful strike back motives transforms selfishness into the virtuous defense of our justly deserved special benefits draws a radical distinction between humans and the other species we exploit and protects our nonconscious belief in a just world Those charms notwithstanding the resilience and endurance of the moral responsibility system indicates a hidden force that not only binds together the pieces of the system but also motivates our stubborn devotion to that system That hidden force is a nonconscious desire to be a god a desire that afflicts both believers and atheists and that is almost universally denied Nietzsche being a special exception That desire can be found throughout the history of philosophy from Aristotle to the present It is also manifested in myths and a variety of religious practices and teachings The breadth power and harm of nonconscious apotheosis aspiration is the focus of this study Fichte on Free Will and Predestination Kienhow Goh, 2024-02-01 The book explains Fichte's position on free will and predestination including its rationale and significance It argues that Fichte affirms both free will and predestination and explains how he purports to do so without contradiction The book presents Fichte's position as a form of compatibilism that has not yet been explored in the literature Due to early rationalist convictions Fichte is as much concerned with reconciling freedom with a logical and a theological determinism as he is with a causal determinism He sees in Kant's novel concept of a pure practical reason a new form of rationalism one consisting of a system of moral rather than natural necessitating grounds At the same time he adopts a more radically libertarian stance on free will than Kant Every member in a sequence of free actions is a first and absolute member and could be other than it is given the same antecedent natural events and natural laws The interest of Fichte as a theorist of freedom lies in how he brings together freedom and predetermination in a way that challenges our assumption about their mutual exclusivity The book provides an overview of Fichte's philosophical system the so called Doctrine of Science from 1793 to 1800 with the aim of contextualizing his theory of free agency and destiny In doing so it sheds light on how consideration of these issues in turn shapes the system Fichte on Free Will and Predestination will be of interest to scholars and advanced students working on Fichte's philosophy the history of modern philosophy German Idealism and the history of the philosophical issue of free will *The Truth Is* H. W. L. Poonja, 2000-02-01 A collection of spontaneous satsangs or truths spoken from Sri H W L Poonja's experience of the highest and yet simplest truth that we are pure love and consciousness the totality of existence Reveals thousands of ways to help us inquire into who we really are to bring our awareness into the infinity of the moment and surrender to the wisdom of our Truth **If You Can't Be Free, Be a Mystery** Farah Jasmine Griffin, 2002-04-30 More than four decades after her death Billie Holiday remains one of the most gifted artists of our time

and also one of the most elusive Because of who she was and how she chose to live her life Lady Day has been the subject of both intense adoration and wildly distorted legends Now at last Farah Jasmine Griffin a writer of intellectual authority and superb literary gifts liberates Billie Holiday from the mythology that has obscured both her life and her art An intimate meditation on Holiday s place in American culture and history If You Can t Be Free Be A Mystery reveals Lady Day in all her complexity humor and pain a true jazz virtuoso whose passion and originality made every song she sang hers forever Celebrated by poets revered by recording artists from Frank Sinatra to Macy Gray Billie Holiday is more popular and influential today than ever before Now thanks to this marvelous book Holiday s many fans can finally understand the singer and the woman they love

Proud Flesh William Humphrey,2015-02-17 A big rich satisfying old fashioned hunk of a book part comedy part tragedy and thoroughly satisfying Chicago Tribune Book World A Texas family as big and brash as their home state the Renshaws are united by their fierce loyalty to one another and their ruthlessness in destroying anyone who threatens their interests When the Renshaw matriarch Edwina takes to her deathbed her ten children are summoned home to stand vigil Past humiliations and long simmering resentments soon boil to the surface a son s forbidden love affair destroyed by his imperious mother a daughter s dutiful attentions greeted with nothing but disdain But the most painful wound of all is the absence of Kyle Edwina s favorite son and the only member of the family to leave Texas What drove him away and can his siblings get him home in time to see his mother before she dies As the ties that bind the indomitable Renshaws stretch and fray *Proud Flesh* builds to a stunning climax of passion and violence It is an unforgettable story and one of William Humphrey s finest This ebook features an illustrated biography of William Humphrey including rare photos form the author s estate

Doom, Desire and the Polis in Eugene O'Neill's Drama Adel Bahroun,2023-01-24 This book shows that Eugene O Neill s modern American drama is a survey on the politics of desire the power of doom and the variable configurations of the polis It highlights that the modern American city or polis is the stage on which the antithetic categories of doom and desire are re enacted in different undertones The text notes that desire doom schizophrenia and the archeology of the polis are reconceived by the playwright while legacy sexuality lucre and the volatility of the free flow of capital entrap the American subject in a maze of qualms and queries Subjection and resistance give birth to schizorevolutionary subjects seeking lines of flight Indeed as noted here O Neill s plays portray their protagonists as desiring machines trying to evade the modern closed circles of power and various modes of becoming to use Gilles Deleuze s concept O Neill encounters Deleuze at the level of thoughts and sensations anticipating postmodern plateaus for the human subject to grow into a rhizome

The Sutta-Nipata Michael Viggo Fausböll,2012 This is the extended and annotated edition including an extensive annotation of more than 10 000 words about the history and basics of Buddhism written by Thomas William Rhys Davids an interactive table of contents perfect formatting for electronic reading devices The Sutta Nipata is a Buddhist scripture a sutta collection in the Khuddaka Nikaya part of the Pali Canon of Theravada Buddhism All its

suttas consist largely of verse though some also contain some prose It is divided into five sections Uruga Vagga Cula Vagga Maha Vagga Atthaka Vagga Parayana Vagga Some scholars consider this the oldest of all Buddhist scriptures Others agree that it contains much very early material Solariad Surazeus Astarius,2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **The Sacred Writings of St. John of Damascus** John of Damascus, Concerning the Orthodox Faith the third book of the Fountain of Wisdom is the most important of John Damascene s writings and one of the most notable works of Christian antiquity Its authority has always been great among the theologians of the East and West Here again the author modestly disavows any claim of originality any purpose to essay a new exposition of doctrinal truth He assigns himself the less pretentious task of collecting in a single work the opinions of the ancient writers scattered through many volumes and of systematizing and connecting them in a logical whole It is no small credit to John of Damascus that he was able to give to the Church in the eighth century its first summary of connected theological opinions At the command of Eugenius III it was rendered into Latin by Burgundio of Pisa in 1150 shortly before Peter Lombard s Book of Sentences appeared This translation was used by Peter Lombard and St Thomas Aquinas as well as by other theologians till the Humanists rejected it for a more elegant one The author follows the same order as does Theodoret of Cyrus in his Epitome of Christian Doctrine But while he imitates the general plan of Theodoret he does not make use of his method He quotes not only from the pages of Holy Writ but also from the writings of the Fathers As a result his work is an inexhaustible thesaurus of tradition which became the standard for the great Scholastics who followed In particular he draws generously from Gregory of Nazianzus whose works he seems to have absorbed from Basil Gregory of Nyssa Cyril of Alexandria Leo the Great Athanasius John Chrysostom and Epiphanius The work is divided into four books *Buddhism in Southern Asia* Josiah Nelson Cushing,1905 **Religions of Mission Fields as Viewed by Protestant Missionaries ...** ,1905 **Love Set Free** Martin L. Smith,2013-01-03 We think of love as being selfless and unsullied yet it is often mixed up with other conflicting emotions These short meditations on the Passion narratives in John s Gospel show how love as we often understand it must die in order to be reborn as love set free *How to Remain Ever Free* M. K. Gupta,2006 In this book the author takes you on a journey towards freedom and happiness According to him freedom is the very fragrance of life Freedom and happiness are intimately linked However the author makes a clear distinction between real freedom and the so called casual freedom of doing anything as per one s whims and fancies
