Look At Everything Twice For:

Always Look Twice Geralyn Dawson, 2008 Ex military intelligence officer Mark Callahan must join forces with his estranged wife and ex team member Annabelle Monroe when members of his former unit are murdered a tentative alliance that leads to danger betrayal and desire Original

Look Twice John Fuller, 2015-05-14 John Fuller's brilliantly inventive fourth novel is a modern romance which playfully explores the world's need for illusion On the last train leaving the Duchy of Gomsza before it is seized by civil turmoil three illusionists an artist journalist and a magician reveal their past failures in love and reasons for leaving But it is the mysterious fellow traveller Jozef Pyramur who dazzles each man in turn with different versions of reality

Once, Twice, Three Times a Crazy Chynah Doll, 2010-10 Demarco was still rambling when Jeremy put one hand up in his face in the gesture of talk to the hand and said sharply Look I am so tired of this whole scene right now Are you going to tell her who I really am or do I need to tell her myself Demarco instantly fell silent his eyes big as saucers as he looked pleadingly at Jeremy Hearing Jeremy's nasally voice and seeing his suddenly magnified feminine gestures really woke me up with a jolt Whatever denial I had been experiencing the last few minutes was now gone I was immediately very aware of the situation that was before me I looked at Jeremy then Demarco I felt my chest start to tighten and my breathing became short and sporadic I started to back away from them both saying Nooooo noooo this can't be this is not happening As I repeatedly shook my head no I could feel the tears falling down my face I screamed at Demarco You lied You lied to me I asked you if you were gay You swore to me that you weren't I can't believe this is happening Like most little girls I always fantasized about my knight in shining armor riding in on his white horse and carrying me off into the sunset Instead of my dream man I got a down low gay man a cocaine addicted famous rapper and a psycho maniac stalker Yes you read right I know that there are other women out there who can relate because they may have experienced at least one of these situations It is very rare and next to impossible to find a woman who has gone through all three situations but I did This is the true story of my life with these three men As you read my autobiographical memoir you will see that due to bad judgment bad decisions and loving the wrong man time and time again my life has had many mind blowing and incredulous episodes I hope that through reading my story I save the next woman from inevitable heartbreak and devastation disguised as true love

The Same River Twice Michael D. Burke, 2006 In the summer of 1991 Michael Burke an experienced river guide embarks on a three week journey down a series of remote rivers in British Columbia. Leaving behind his pregnant wife he embraces the perils of a voyage with a companion he barely knows in a raft that may not weather the trip. He attempts to reconcile the shifting fates of his life his transition from river guide to husband father and academic. At the same time he hopes to explore his connection to a distant relative Sid Barrington who was a champion swiftwater pilot of the North in the late 19th and early 20th centuries. As Burke contemplates what he and Sid may have had in common he meditates on the changing meaning of rivers and the impossibility of fully recovering the past. In clear and graceful prose Burke blends Sid's colorful history with his own uncommon journey. He also reflects upon the quick currents of time and the fierce passion he shares with Sid for the life of river running in Alaska and the west. Unlike most river running books that often describe waterways in the lower forty eight states *The Same River Twice* introduces readers to rough austere and unfamiliar rivers in the northern wilderness. Burke has an intimate understanding of these remote free flowing rivers. He effectively captures the thrill of moving water the spirit of rivers and river canyons and the life of river guides. This insightful memoir brings readers into a confluence of rivers where past and present merge revealing the power of wilderness and the truth about changing course.
