Book Two Richard David Kennedy, 2014-12-03 The Encuentro isn't just another novel. A fairy tale in novel form told as a farce presented like a play and executed like a movie, it is indeed novel in every way. It is very much as advertised: A Risque Fairy Tale For Contemporary Adults, very mature adults. It is also Kennedy at his innovated best, pulling out all the stops and turning the medium on its head to make a gut-busting spoof that turns out not to be such a spoof after all. So while the subject matter is bawdy, the humor outrageous and the wit nonpareil, it is to be sure a deeply profound exposition of the nature and meaning of life at the end of the day. It is as he has stated, probably my best symphony yet and destined to be an instant classic. Where else will you find a novel's author portraying himself in his own book as a movie director **Every**
