Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book s final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one s own unique Guiding Story [Crumbs and Treasures from the Basket](#) Eagle Annie,2016-09-07 This book has been written with one simple truth in mind Every human ever born has been fearfully and wonderfully made and has some specific hidden value within them However everyone comes to times of feeling and will wonder seriously if there is anything of value in them or their life Many wonder from time to time if we have anything of value beauty or importance to aim for or look forward to beyond our present circumstances especially if what we are going through is painful and drawn out It is possible to learn to find treasures in every person place and situation that we go through It is true that sometimes we need some assistance to look beyond the hidden boundaries of the preconditioning of supposed normality Healing to our emotional eyes and the eyes of our understanding always definitely helps Once we have begun such a journey the joy grows from day to day and so does the many surprises as we learn to see treasures instead of trash **Half Lives** Sara Grant,2013-07-09 I ve learned that surviving isn t all it s cracked up to be NOW Icie s parents gave her 10 000 in cash a map of a top secret bunker and instructions to get there by any means necessary They have news of an imminent viral attack and know that the bunker is Icie s only hope for survival She and three other teens live locked away for months not knowing what s happening in the outside world or who has survived Then one day Icie discovers a shocking secret deep in the bunker Are they really safe there after all THEN Generations in the future the world has changed and a mysterious cult worships the very mountain where Icie s secret bunker was built The people never leave the mountain they re ruled by Beckett a teenager and they have surprising ties to Icie Icie and Beckett must both fight to survive while protecting a secret that could destroy their civilizations This high stakes original and thought provoking adventure follows two unlikely heroes hundreds of years apart **Angel's Revenge** Ronald S. Parsons,2000-11-13 The story of two men and a woman whose lives become entwined in one common interest the Red Fox mystery Their track in search of an answer takes them across the lush vegetation of the Dohfar Valley over the Gara Mountains with its trees of frankincense and myrrh to the Oman Desert border to the colorful Hadhramaut valley to the arid desert wastelands of eastern Yemen They reap the benefits by torture get caught in an ambush stare death in the face and experience a lucky escape in the Hadhramaut valley The love hates and cares of two men and woman and an explosion of anger that leads to the death by lethal injection of a notorious killer [How It Ends: From You to the Universe](#) Chris Impey,2011-04-11 Remarkably upbeat and imbued with wit wisdom and a palpable sense of awe over our universe Tucson Weekly Most of us are aware of our own mortality but few among us know what science with insights yielded from groundbreaking new research has to say about endings on a larger scale Enter astronomer Chris Impey who chronicles the death of the whole shebang individual species bio sphere Earth Sun Milky Way and finally the entire universe With a healthy dose of humor How It Ends illuminates everything from the technologies of

human life extension and the evolutionary arms race between microbes and men to the inescapable dimming of the Sun and the ultimate big rip giving us a rare glimpse into a universe without us **Sandman's rainy day stories** Abbie Phillips Walker,2023-07-09 In Sandman's Rainy Day Stories Abbie Phillips Walker weaves a captivating tapestry of imaginative narratives that dance between reality and whimsy Set against the backdrop of a world where the mundane collides with the extraordinary Walker's prose is marked by its lyrical quality and rich imagery The book originally published in the early 20th century reflects the turn of the century fascination with childhood wonder evoking themes of nature childhood innocence and the transformative power of storytelling Each tale invites readers to embrace the magic hidden within everyday life making it an enduring piece of children's literature Abbie Phillips Walker was an influential figure in early American children's literature and her experiences as an educator and a mother profoundly shaped her writing Living during a time when children's stories were evolving to include moral lessons alongside entertainment Walker sought to cultivate imagination and joy in her young readers Her own childhood memories and love for nature inspired the vivid settings and enchanting characters that populate her stories Sandman's Rainy Day Stories is a delightful collection that promises to capture the hearts of both young readers and adults alike It serves not only as a source of entertainment but also as a reminder of the importance of imagination This charming anthology is a perfect addition to family reading time promising to spark joy and wonder on every page Ascending Species Rand Paulsen,2025-05-22 Delve into the lives of four remarkable species in an epic journey across time This historical archive has been translated for the humans of Earth but within there are no humans In this epoch spanning chronicle of evolutionary proportions four distinct intelligent species on a planet not unlike Earth each get their time on the stage of civilization to showcase their innate strengths their inevitable flaws and their unique determination to surmount the massive obstacles that not only their neighboring species but the planet itself ceaselessly has to offer The lives and cultures of the powerful reptilian Serpils and the armadillo like Drels are reflective of their natures what's normal to them may seem very strange to us The ways of the Geminy being primates may seem similar to humans but do not be mistaken Creative and friendly the Tubells are a four eyed species of cephalopods who have a unique perspective after having adapted to live on land From their humble hard scrap origins to their hard won formation of global civilizations and beyond to the edge of space the peculiar and disparate societies animating Ascending Species lay the ground for a fun fast paced experience full of nail biting challenges complex conflicts heart wrenching struggles and heart warming achievements As to which species will survive the whims of time only time will tell **The World Into** Danny Drew,2020-06-18 The year is 2060 New ideas and science have changed our world considerably Mankind has been thrust back into prehistoric times after the world dramatically breaks in two Dr Shany and his team of scientists try to find a way to return the earth to modern day civilization all over again The World Into is a journey beyond journeys that will take you through mysterious tunnels deep in the earth and the discovery of unique new planets with unusual species Will Dr Shany

and his team of scientists be able to figure out a way to put the earth back together or will they lose the earth as we know it forever
