Hudson, 2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Trail of the Serpent: A Novel Mary Elizabeth Braddon, 2020-09-28 I don't suppose it rained harder in the good town of Slopperton on the Slosby than it rained anywhere else But it did rain There was scarcely an umbrella in Slopperton that could hold its own against the rain that came pouring down that November afternoon between the hours of four and five Every gutter in High Street Slopperton every gutter in Broad Street which was of course the narrowest street in New Street which by the same rule was the oldest street in East Street West Street Blue Dragon Street and Windmill Street every gutter in every one of these thoroughfares was a little Niagara with a maelstrom at the corner down which such small craft as bits of orange peel old boots and shoes scraps of paper and fragments of rag were absorbed as better ships have been in the great northern whirlpool That dingy stream the Slosby was swollen into a kind of dirty Mississippi and the graceful coal barges which adorned its bosom were stripped of the clothes lines and fluttering linen which usually were to be seen on their decks A bad determined black minded November day A day on which the fog shaped itself into a demon and lurked behind men s shoulders whispering into their ears Cut your throat you know you ve got a razor and can t shave with it because you ve been drinking and your hand shakes one little gash under the left ear and the business is done It s the best thing you can do It is really A day on which the rain the monotonous ceaseless persevering rain has a voice as it comes down and says Don t you think you could go melancholy mad Look at me be good enough to watch me for a couple of hours or so and think while you watch me of the girl who jilted you ten years ago and of what a much better man you would be to day if

she had only loved you truly Oh I think if you ll only be so good as watch me you might really contrive to go mad Then again the wind What does the wind say as it comes cutting through the dark passage and stabbing you like a coward as it is in the back just between the shoulders what does it say Why it whistles in your ear a reminder of the little bottle of laudanum you ve got upstairs which you had for your toothache last week and never used A foggy wet windy November day A bad day a dangerous day Keep us from bad thoughts to day and keep us out of the Police Reports next week Give us a glass of something hot and strong and a bit of something nice for supper and bear with us a little this day for if the strings of yonder piano an instrument fashioned on mechanical principles by mortal hands if they are depressed and slackened by the influence of damp and fog how do we know that there may not be some string in this more critical instrument the human mind not made on mechanical principles or by mortal hands a little out of order on this bad November day But of course bad influences can only come to bad men and of course he must be a very bad man whose spirits go up and down with every fluctuation of the weather glass Virtuous people no doubt are virtuous always and by no chance or change or trial or temptation can they ever become other than virtuous Therefore why should a wet day or a dark day depress them No they look out of the windows at houseless men and women and fatherless and motherless children wet through to the skin and thank Heaven that they are not as other men like good Christians punctual rate payers and unflinching church goers as they are Thus it was with Mr Jabez North assistant and usher at the academy of Dr Tappenden He was not in anywise affected by fog rain or wind There was a fire at one end of the schoolroom and Allecompain Major had been fined sixpence and condemned to a page of Latin grammar for surreptitiously warming his worst chilblain at the bars thereof But Jabez North did not want to go near the fire though in his official capacity he might have done so ay even might have warmed his hands in moderation He was not cold or if he was cold he didn t mind being cold He was sitting at his desk mending pens and hearing six red nosed boys conjugate the verb Amare to love while the aforesaid boys were giving practical illustrations of the active verb to shiver and the passive ditto to be puzzled He was not only a good young man this Jabez North and he must have been a very good young man for his goodness was in almost every mouth in Slopperton indeed he was looked upon by many excellent old ladies as an incarnation of the adjective pious but he was rather a handsome young man also He had delicate features a pale fair complexion and as young women said very beautiful blue eyes only it was unfortunate that these eyes being according to report such a very beautiful colour had a shifting way with them and never looked at you long enough for you to find out their exact hue or their exact expression either He had also what was called a very fine head of fair curly hair and what some people considered a very fine head though it was a pity it shelved off on either side in the locality where prejudiced people place the organ of conscientiousness A professor of phrenology lecturing at Slopperton had declared Jabez North to be singularly wanting in that small virtue and had even gone so far as to hint that he had never met with a parallel case of deficiency in the entire moral region except in the skull of a very distinguished criminal who invited a friend to dinner

and murdered him on the kitchen stairs while the first course was being dished But of course the Sloppertonians pronounced this professor to be an impostor and his art a piece of charlatanism as they were only too happy to pronounce any professor or any art that came in their way      **Magical Explorer, Vol. 6 (light novel)** Iris,2023-12-12 ANYTHING BUT HEAVENLY In the depths of a dungeon Iori finds evidence of the Book of Raziel a legendary tome that could destroy the world if it falls into the wrong hands But when the Three Committees launch an investigation into the book they discover that the school librarian Rue Sakura is actually an archangel The Academy wastes no time in forming a team of capable students to subdue her but Rue effortlessly quashes this resistance with her powerful magic Just as all hope seems lost however Kousuke rushes in to confront Rue once again Does he have what it takes to avert a bad ending of apocalyptic proportions      Perfectly Dateless (My Perfectly Misunderstood Life Book #1) Kristin Billerbeck,2010-07-01 Daisy Crispin has 196 days to find the right date for the prom There s only one problem her parents won t let her date or even talk to a guy on the phone Oh and she s totally invisible at school has to wear lame homemade clothes and has no social skills Okay so maybe there s more than one problem Can she talk her parents into letting her go to the prom Or will they succeed at their obvious attempt to completely ruin her life With hilarious and truthful writing Kristin Billerbeck uncovers the small and large mortifications that teen girls encounter Readers will fall in love with Daisy s sharp wit and resourcefulness as she navigates the world of boys fashion family and friendship      **D. H. Lawrence** Alistair Niven,1978-02-23 Since his death in 1930 D H Lawrence has become not only one of the most controversial English novelists of the twentieth century but also one of the most widely read and quoted writers in the language In this new study of his major fiction Alistair Niven revalues all the novels tracing Lawrence s development through them both as an artist and as a thinker At the centre of the book Dr Niven discusses The Rainbow and Women in Love as the diverse products of a single creative intention nothing less than an exploration of where modern man is going Lawrence s early novels The White Peacock and The Trespasser receive exceptionally close scrutiny There are also full length chapters on Lawrence s well known fiction of sexual self discovery Sons and Lovers and Lady Chatterley s Lover The travel novels The Lost Girl Aaron s Rod The Plumed Serpent and especially the Australian novel Kangaroo which the author believes has been seriously underestimated by previous critics are given prominence as evidence of Lawrence s restless desire to find a superior set of values to those he believed had failed in England Dr Niven s conclusions are derived solely from his close reading of the novels themselves and when relevant from Lawrence s correspondence and short stories This study with its unusually lively and commonsense approach confirms Lawrence as not only a great novelist but a central figure in the development of the modern mind
