Gardeners' Chronicle ,1884 The Royal Magazine ,1917 **New Zealand Farmer Weekly** ,1929 **Can Reform Waves Turn the Tide? Some Case Studies Using the Synthetic Control Method** Bibek Adhikari,Mr.Romain A Duval,Bingjie Hu,Mr.Prakash Loungani,2016-08-09 A number of advanced economies carried out a sequence of extensive reforms of their labor and product markets in the 1990s and early 2000s Using the Synthetic Control Method SCM this paper implements six case studies of well known waves of reforms those of New Zealand Australia Denmark Ireland and Netherlands in the 1990s and the labor market reforms in Germany in the early 2000s In four of the six cases GDP per capita was higher than in the control group as a result of the reforms No difference between the treated country and its synthetic counterpart could be found in the cases of Denmark and New Zealand which in the latter case may have partly reflected the implementation of reforms under particularly weak macroeconomic conditions Overall also factoring in the limitations of the SCM in this context the results are suggestive of a positive but heterogenous effect of reform waves on GDP per capita

Solution Three Naomi Mitchison, 1995 A A A As a fast paced novel about a future shaped by feminist ideals of sexual and racial equality solution three at first seems to be a peaceful answer to the world's problems Homosexuality as an international norm and reproduction by cloning have minimized aggression and overpopulation The sexes have equal rights and status racial tension has been eliminated through genetic intermixing and scientists work closely with the governing body the Council to keep an eye on the food supply and to heal the earth of prior environmental terrorism A A A Except in a few outlying areas things seem to be going smoothly But even in the privileged center two women are quietly rebelling Miryam a geneticist is secretly married and rearing her own children Lilac a surrogate mother chosen to carry a clone baby tries to evade releasing him as customary for social conditioning A A A When a mysterious virus appears in distant wheat crops when deviant sects kill a Council member and a Clone when even the Clones exhibit unexpected

sexual behaviour Mutumba the strong and wise leader of the Council ponders whether the principle of diversity essential to the food supply might also hold for people What is the cost to women of this new model for reproducing life With Mutumba and others one wonders is it time for a new solution a solution four A A A Originally published in 1975 Mitchison s visionary science fiction presents a world created by both women and men that is far ahead of our own Like Herland Solution Three imagines a society in which women have used reproductive control to shape a more equitable life for all eradicating aggression and providing social support for motherhood Solution Three presents a new more positive vision of science as a realm in which women could indeed make a difference and shape the course of knowledge From the Afterword by Susan M Squier
