WHO'S
here?

The image features the phrase "Look WHO'S here?" in a playful, handwritten calligraphic style. The word "Look" is at the top in a large, bold script. A small, stylized octopus is positioned above the letter 'o' in "Look". A thin, curved line with an arrow points from the left towards the 'L'. Below "Look", the words "WHO'S" and "here?" are written in a similar script. "WHO'S" is enclosed within a decorative banner that curves around it. To the right of the banner are three small, radiating lines. A small heart symbol is placed between the banner and the word "here?". The word "here?" is written in a cursive script, ending with a large question mark.

Mercy of a Rude Stream: The Complete Novels Henry Roth, 2014-07-28 This landmark of the American literary century Boston Globe is finally published as one volume appearing with a brilliant new introduction Sixty years after the publication of his great modernist masterpiece *Call It Sleep* Henry Roth a retired waterfowl farmer already in his late eighties shocked the literary world with the announcement that he had written a second novel It was called he reported *Mercy of a Rude Stream* the title inspired by Shakespeare and it followed the travails of one Ira Stigman whose family had just moved to New York's Jewish Harlem in that ominous summer of 1914 It is like hearing that J D Salinger is preparing a sequel to *The Catcher in the Rye* the New York Times Book Review pronounced while *Vanity Fair* extolled Roth's new work as the literary comeback of the century Even more astonishing was that Roth had not just written a second novel but a total of four chronologically linked works all part of *Mercy of a Rude Stream* Dying in 1995 at the age of eighty nine Roth would not live to see the final two volumes of this tetralogy published yet the reappearance of *Mercy of a Rude Stream* a fulfillment of Roth's wish that these installments appear as one complete volume allows for a twenty first century public to reappraise this late in life masterpiece just as *Call it Sleep* was rediscovered by a new generation in 1964 As the story unfolds we follow the turbulent odyssey of Ira along with his extended Jewish family friends and lovers from the outbreak of World War I through his fateful decision to move into the Greenwich Village apartment of his muse and older lover the seductive but ultimately tragic NYU professor Edith Welles Set in both the fractured world of Jewish Harlem and the bohemian maelstrom of the Village *Mercy of a Rude Stream* echoes Nabokov in its portrayal of sexual deviance and offers a harrowing and relentless family drama amid a grand panorama of New York City in the 1910s and Roaring 20s Yet in spite of a plot that is fraught with depictions of menace violence and intense self loathing *Mercy of a Rude Stream* also contains a cathartic even redemptive overlay as provocative as anything in the chapters of *St Augustine* Los Angeles Times in which an elder Ira haunted by the sins of his youth communes with his computer Ecclesias as he recalls how his family's traditional piety became corrupted by the inexorable forces of modernity As Ira finally decides to get the hell out of Harlem his Proustian act of recollection frees him from the ravages of old age and suddenly he is in his prime again the entire telling of *Mercy* his final pronouncement *Mercy of a Rude Stream* is that rare work of fiction that creates through its style and narration a new form of art Indeed the two juxtaposed voices one of the little boys swimming in a sea of glory the other of one of those same boys in old age being rudely swept to sea creates a counterpoint jarring yet oddly harmonious that makes this prophetic American work such a lasting statement on the frailties of memory and the essence of human consciousness *Mercy of a Rude Stream: The Complete Novels* includes *A Star Shines Over Mt Morris Park* *A Diving Rock on the Hudson* *From Bondage* and *Requiem for Harlem*
