**Looking at Carriages** Sallie Walrond,1980      Hearst's ,1918      **France and Its Revolutions** George Long,1850

The Treasure Is Within Jane-Louise Kelly,2016-11-07 I was once told by a friend that I lived a charmed life It was not however until my life s calm was deeply perturbed that I realized what real charm is I believe now that it is the capacity to know profoundly that all is well when reality would suggest otherwise This was the life lesson I was about to be introduced to following our son s brain cancer diagnosis at the age of nine and the writings of The Treasure Is Within provided a lifeline to me when I feared I would lose all faith in life and in myself It was only after the completion of part one of these writings that I asked who I was speaking to Speaking to you now is your Higher Office Behind each human being is this same community of hopes and desires We desire for you to know that our attention in your regard is never ending and complete urging you in the direction of your greatest desires When there is resistance we find it difficult to be fully efficient but when you let go in trust that all is working out for the best then indeed it does      *In the Footstep of the Buddha* Ashvajit Dharmachari,2014-08-13 In the footstep of the Buddha is a collection of letters written whilst the author was based in Sri Lanka from 1986 90 They describe the phenomenon of ethnic Buddhism as witnessed during the author s visits to temples and forest hermitages and his meetings with monks laymen and laywomen in town and country We learn of the author s practicing and teaching the principles of individual spiritual evolution and meet the flora and fauna of the lush tropical landscape We catch occasional glimpses of the civil war that sorely troubled the Island during those years The author also tells of his visits to India during the same period and of the new Buddhist Movement unfolding there some forty years after the great Mass Conversion to Buddhism inaugurated by Dr Ambedkar in Nagpur in 1956      **The Trial at Large of Her Majesty, Caroline Amelia**

Joseph Nightingale,1821      The Living Age ,1879      **Of Such Is the Kingdom** James M. Becher,2020-03-09 Travel to ancient Palestine at the time of Jesus and the Roman Empire and ask What could a cynical nonconformist dry goods salesman a disgruntled blacksmith and a musing mendicant all have in common The answer Down deep they all want something better The nonconformist Manaheem Herod s truth seeking foster brother is hired by Herod to foment an insurrection against Pontius Pilate Manaheem recruits the blacksmith Barabbas to lead the insurrection much to the dismay of Barabbas s Godly but fearful wife The mendicant an unfortunate but pensive young man named Timotheus joins with an older beggar unsympathetic to his musings Pontius Pilate sees himself as a weak ruler but his wife pushes him to take over Herod s territory Meanwhile Manaheem reunites with his former wife Claressa and after much soul searching tries to blackmail Herod losing Claressa in the process Barabbas turns to robbery enlisting the aid of the two beggars Timotheus hesitates and almost turns back but then decides to go along Does redemption lie ahead and at what cost to those who find it Find out in this incredible tale filled with conflict suspicion and treachery      **Of Such Is The Kingdom, PART II: Robbery And Redemption** James M. Becher,2020-10-02 Did you enjoy PART I of this historical fiction novel of Biblical and Roman times This volume picks up where PART I left off The insurrection having failed Barabbas and his men find a cave in which to hide out But Barabbas unsatisfied decides to try robbery He enlists the help of the two beggars and they set out to rob rich Benjamin But Timotheus almost turns back after seeing the Nazarene Will he go on to aid in this crime Will it be successful or will this also result in disaster Meanwhile non conformist Manaheem tries to blackmail Herod over his part in the insurrection and loses his one true love his former wife Claressa also a non conformist with whom Manaheem is trying to reunite Will he get her back More importantly will he as well as Barabbas and Timotheus find the fulfillment they have been seeking The story has a powerful message that has clearly been displayed throughout the novel Mr Becher takes you through a wide range of emotions from beginning to end This is a great novel that I m sure you will enjoy Rudelle Thomas Divine Eloquence      The Pillow Book Sei Shonagon,2006-11-30 A new translation of the idiosyncratic diary of a C10 court lady in Heian Japan Along with the TALE OF GENJI this is one of the major Japanese Classics      **The Young Ladies' Journal** ,1867      **The Trial at Large of Her Majesty Caroline Amelia Elizabeth, Queen of Great Britain, in the House of Lords on Charges of Adulterous Intercourse** ,1821      *Emporium* Edwin Barnard,2015-03-01 Look at the Hilzinger washing machine costing 3 in 1880 It certainly seems rather primitive but did it get the clothes clean and how hard was it to operate And what about Dr Allen s belt powered by the magic of electricity Could it really help with rheumatism and lumbago as its maker promised Advertisements can reveal a great deal about an age Gleaned from the pages of long forgotten publications such as The Sydney Gazette and New South Wales Advertiser Australian Town and Country Journal and Australasian Sketcher with Pen and Pencil together with dozens of regional newspapers they paint an intriguing picture

of the world of our great great grandparents With over 450 images this book is one to pore over and enjoy perhaps that electric hairbrush really did cure baldness and wouldn't it be wonderful if those strange cannabis cigarettes did relieve asthma Advertisements for condoms It was just a matter of knowing what to look for In some ways it is striking how little has changed It comes as no surprise for example to discover that colonial women found it hard to resist a bargain nor that they worried a great deal about their complexions and the sweetness of their breath Colonial men had their own concerns prominent among them those old bugbears of advancing baldness and retreating virility For those seeking to revive flagging passions there were always the racy tales advertised each week in the illustrated papers price one shilling posted in a sealed envelope Equally striking are the many differences in attitude and outlook revealed by old advertisements It is curious for example that for most of the nineteenth century nobody except perhaps the very young seem to have been much concerned about body shape It was only in the 1880s and 90s that advertisements began to appear offering products designed to deal with unsightly corpulence or to plump out that underdeveloped bosom It cannot have taken advertisers long to realise that they were onto a good thing exploiting those particular anxieties Emporium uses collections of advertisements as starting points in assembling a series of self contained snapshots Introduced by a section on shopping a succession of double page spreads each with its eyewitness accounts and contemporary descriptions work to paint a lively and entertaining picture of everyday life in the Australian colonies Although this is a book about advertising it is really also all about the everyday lives of nineteenth century Australians The focus throughout is on the lives of so called ordinary people the working men women and children whose struggles all too often merit little more than a footnote or two in many of our national histories How did they go about getting married How did they plan their families How did they keep clean How did they cook their food Advertisements can answer all these questions Humorous quirky fascinating you will find this book compulsive Edwin Barnard is an author and designer with an enduring interest in the everyday lives of nineteenth century Australians His previous books include Exiled for the National Library of Australia Edwin lives in Avalon NSW
