## **Looking Beyond The Mask:**

Looking Beyond the Mask Nancy Brown Diggs, 2016-02-24 Looking Beyond the Mask focuses on the personal stories of the growing number of American women who despite vast cultural differences and sometimes because of them are married to Japanese men Although the problems encountered in such marriages are similar to those found in any union there are cultural implications that can exacerbate almost any of them Potential areas of conflict are examined such as in laws customs and manners values living conditions religion communication sex and gender and raising children The book deals with meeting such challenges and attempting to look beyond the cultural masks to see the real people behind them The women in question stress the importance of commitment a flexible attitude a strong sense of identity a support network a sense of perspective and a sense of humor They also reveal the benefits of these marriages including a greater appreciation for Japanese ways and the opportunity to continually grow and learn Based on extensive research the book provides a new look at Japan from the unique perspective of those American women most intimately involved with its culture A Hundred Years of Bibliotherapy Siobhan Campbell, Sara Haslam, Edmund G. C. King, 2025-05-16 The First World War gave new and vital impetus to the ancient idea that books could heal This interdisciplinary collection provides a targeted survey of 100 years of historical and contemporary understandings and practices of the book as cure The contributors explore the curative practices of wartime reading how they were developed and institutionalized after the war and the afterlives of these ideas and practices today Divided into three sections the first considers bibliotherapy in World War I It is rooted in the wartime cultures which ensured bibliotherapy became part of the active treatment of soldiers damaged minds and bodies on both sides of the Atlantic after 1914 Parts two and three examine the expanding variety of critical contexts both historical and more modern in which reading and wellbeing continued to intersect The chapters draw on a wide range of source material from trench magazines to autograph books to e novels as well as on data and information drawn from practice based encounters They also provide the basis for further scholarly exploration of for example national traditions and contexts and the inter disciplinary relationships which they inspire A Hundred Years of Bibliotherapy Healing through Books provides the first interdisciplinary dialogue on and account of bibliotherapy addressing both historical and present day modes of engaging with the ostensibly curative power of reading and reading cultures It is an invaluable resource for scholars of literary studies book history and the medical humanities **UnMasking Alzheimer's: The Memories Behind the Masks** Cynthia Huling Hummel, 2017-09-03 UnMasking Alzheimer's The Memories Behind the Masks is a collection of photographs of the thirty six masks created by Alzheimer's advocate and artist Cynthia Huling Hummel along with her reflections on the challenges and hopes of living well with an AD diagnosis Taking the Mask Off Irwin Osborne, Cortland Pfeffer, 2016-09-28 Cortland Pfeffer spent years as a patient in psychiatric hospitals treatment centers and jails before becoming a registered nurse and working in the same facilities This is a story about recovery that goes inside the mental health and addiction field revealing

Anthony Sheppard,Bernhard Siegert,Anja Wächter,Eleonore Zapf,2021-08-15 This volume looks at masking and unmasking as indivisible aspects of the same process It gathers articles from a wide range of disciplines and addresses un masking both as a historical and a contemporary phenomenon By highlighting the performative

dimensions of unmasking it challenges dichotomies like depth and surface authenticity and deception that play a central role in masks being commonly associated with illusion and dissimulation. The contributions explore topics such as the relationship between face mask and identity in artistic contexts ranging from Surrealist photography to video installations and from Modernist poetry to fin de siècle cabaret theater. They investigate unmasking as a process of transition and transformation be it in the case of the wooden masks of the First Nations of the American Northwest Coast or of the elaborate costumes and vocal masking of pop icon Lady Gaga. In all of these instances the act of unmasking has the power to simultaneously hide and reveal. It destabilizes supposedly fixed identities and blurs the lines between the self and the other, the visible and the invisible. The volume offers new perspectives on current debates surrounding issues such as protective masks in public spaces, facial recognition technologies and colonial legacies in monuments and museums, offering insight into what the act of unmasking can mean today. With contributions by Laurette Burgholzer, Joyce Cheng, Sarah Hegenbart, Bethan Hughes, Judith Kemp, Christiane Lewe, W. Anthony Sheppard, Bernhard Siegert, Anja Wächter and Eleonore Zapf. Emissary of Light James Twyman, 2012-06-01. Traveling in 1995 around war-torn Bosnia and Croatia where he had gone to stage a peace concert, this author encountered The Emissaries, a small group of mystics who meditated 12 hours a day. He went on to detail their message that humanity was now ready to create a new world in a book that was translated into more than a dozen languages. This new edition provides behind the scenes information about the people met on that trip and offers additional commentary on the monks' compelling mystic vision. *Poems for the Pilgrim Pathway, Volume One: God Moments* Ken Lievers, 2022-07-15. The Christian pathway is a personal one and a pilgrim one. Those who are committed to following Jesus Christ will develop a set of values, face challenges in their choices and eventually develop Christlikeness in their character. This inspiring collection of poems written over a twenty-five year period offers the honest reflection of one follower's angst, turmoil, devotion and hope as he travelled on his journey. *God Moments* is the first in the *Poems for the Pilgrim Pathway* series. Our Lord never promised us that it would be easy, but He did say that the destination made it worthwhile. Emissary of Light James F. Twyman, 2010-09-17. Fortunately for all of us, another voice with a clear message that something wonderful is coming is certainly evident in James F. Twyman's *Emissary of Light*. It is a fast and fascinating read. I recommend it highly. Pay very close attention for you will find yourself in this work. Albert Clayton Gaulden, author *Clearing for the Millennium*. It is often said that truth is stranger than fiction. *Emissary of Light* is mind-boggling because it recounts the true story of James Twyman's real-life adventure. I highly recommend it because it contains palatable seed thoughts of Enlightenment, a veritable banquet of easy-to-read and digest information that we all need. Barbara Hoberman Levine, author *Your Body Believes Every Word You Say*. Traveling in 1995 around war-torn Bosnia and Croatia where he had gone to stage a peace concert, this author encountered The Emissaries, a small group of mystics who meditated 12 hours a day.
