Looking For It:

Looking For It Michael Thomas Ford, 2012-07-19 Mike Monaghan is the bartender at the Engine Room a meeting place for the small but thriving community of gay men in Cold Falls New York As Mike pours beer wipes glasses and hears everything he s also witness to the men who come here looking for what they need sex direction friendship spiritual fulfillment and love People like Stephen Darby As an accountant he knows many secrets But Stephen has his own secret one he s never been able to share with anyone close to him Being the perfect son costs him dearly and now it may take from him the one man he longs for Pete Thayer Playing it straight Pete takes out his frustrations on transmissions and engines during the day then spends his nights trying to quench his needs through anonymous sex But once the thrill of the forbidden begins to fade what will he be left with John and Russell The golden couple in town has the ideal relationship everyone wants But behind the scenes their storybook marriage is on the verge of facing some explosive trials that will shake both men completely Father Thomas Dunn More and more the gentle priest is feeling a need to express the secret desires that conflict with his devotion to the church sending his faith into a tailspin and making him question what he really wants from life Simon Bird He s a fixture in town an old queen everyone finds amusing and entertaining Still mourning the loss of his longtime lover Simon yearns to find love and a place in a culture that worships youth and beauty As Mike hands these men their drinks he marvels at their determination strength and foolishness But most of all he begins to question his own dissatisfaction pondering what s missing from his own life and what risks he may have to take to find fulfillment *Looking For It* is an extraordinarily human tale of community friendship and the search for happiness With unflinching honesty keen insight and his trademark humor Michael Thomas Ford weaves together the unforgettable stories of these seven men chronicling their dreams hurts heartbreaks joys and hopes while taking readers on an emotional journey to find what it is we re all looking for
