Love is the Law Marieta Oslanec, Esq. ,2019-10-22 It took me 16 years to understand that in order to find true love happiness peace and abundance I needed to go within During those years I experienced several painful breakups and went

from one relationship to another only to realize that the most important love is self love The most painful break up was the beginning of my life long love story I moved from Slovakia to the USA with only 700 USD and without speaking a word of English I put myself through law school and became a licensed attorney in New York Nobody would hire me so I started my own company and hired myself I then decided to challenge myself further and travel the world solo I spent 30 days in complete silence in meditation retreats throughout Bali Nepal and Hawaii During this period I faced my deepest fears and came to discover that they were only illusions The truth is many of our fears are not real they are just our ego trying to protect us What is real is love and that is our higher self The Universe is governed by the ultimate Law that is Love and when we all collectively raise our consciousness we will be able to create a new world In this book you will learn how to Heal a broken heart and fall in love with yourself Change a limiting money mindset and attract abundance Discover your purpose and start a purpose driven business Meditate and tap into your higher self Create a healthy relationship with your body then go beyond reading words and concepts to open your mind and heart and enter the space between words beyond knowledge to Spirit where Love is the Law Sylva Dvorak PhD New York Times Bestselling Author Your Hidden Riches Unleashing the Power of Ritual to Create a Life of Meaning and Purpose **LOVE - In Search of a Reason for Living** Paul Snyder,2018 LOVE In Search Of A Reason For Living is an essay about life a book about you Its purpose is to send you on a journey through your heart mind and soul If you take the journey you will find in yourself the reason for living If you care at all about life and people and yourself you will take the journey *In Search of Love* Rajendra Chaudhary, This book depicts and narrates the village life including their desire at the early age It is directly and personally visualized the village child life The Author has written this book in short stories There are different characters with different interest such as Love Studies Game wrestling Acting and playing different type of Music Whether they got their target fulfilled or not did they try with their best and real strengths to achieve their goals The Author has tried to his best to establish the truth There are no any imaginations in his stories He has seen the changes in the life in different way in different age and in different place The character of child keeps on changing with the environment around them Some of us are very lucky someone get push back from someone but most of us have to struggle to find the good life Life goes on and on time moves as the per the nature clock Some of us blame ourselves or to their parents and relatives but most of us blame to the God There is no end of blames Everyone has to complete his term and proceed back In our life decision is more important Result of the decision comes in future Result depends on the right or wrong decision taken Some people take very fast decision His decision may produce fruits or not It depends upon his write or wrong decision Few people take decision only after verifying It takes long time and he may lose the opportunity Other does not take any decision He never achieves any success in his her life time A person who takes fast decision with strong determinations he achieves all successes in his life *Looking For Love In All the Wrong Places* Ida Greene, PhD,2014-07-01 We all crave and need love We are starving for love feel deprived and lonely without it I will let you
