 Evolution of a Screenplay provides an insightful look at the drafting of one of Hollywood history's greatest scripts Being  
 There 1979 is generally considered the final film in Hal Ashby's triumphant 1970s career which included the likes of Harold  
 and Maude 1971 and Shampoo 1975 The film also showcases Peter Sellers's last great performance In 2005 the Writers  
 Guild of America included Being There on its list of 101 Best Scripts Being There and the Evolution of a Screenplay features  
 three versions of the script an early draft by Jerzy Kosinski based on his 1970 novel a second by long time Ashby collaborator  
 and Oscar winner Robert C Jones which makes substantial changes to Kosinski's and a final draft written by Jones with Ashby's  
 assistance which makes further structural and narrative changes Additionally the book features facsimile pages from one of  
 Kosinski's copy of the scripts that include handwritten notes providing readers with valuable insight into the redrafting  
 process For each version Ashby scholar Aaron Hunter adds perceptive analysis of the script's development the relationships  
 of the writers who worked on it and key studio and production details This is both a presentation of the script of Being There  
 and a record of the process of crafting that script a text that will be of interest to film fans and scholars as well as writers and  
 teachers of screenwriting Evolution of a Screenplay is the first book of its kind to so amply demonstrate the creative  
 development of a Hollywood script *The Hunter's Daughter* Nicola Solvinic,2025-09-09 As seen on the TODAY show as the

 from her conscious mind by a controversial hypnosis treatment She's now a decorated sheriff's lieutenant serving a rural  
 county conducting an ordinary life far from her father's shadow When Anna kills a man in the line of duty her suppressed  
 memories return She dreams of her beloved father his hands red with blood surrounded by flower decked corpses he had  
 sacrificed to the god of the forest To Anna's horror a serial killer emerges who is copying her father and who knows who she  
 really is Is her father still alive or is this the work of another Will the killer expose her destroying everything she has built for  
 herself Does she want him to But as she haunts the forest using her father's tricks to the hunt the killer will she find what she
