Loose Alliances:

Tourism Economics and Policy Larry Dwyer, Peter Forsyth, Wayne Dwyer, 2010-10-27 *Tourism Economics and Policy* combines a comprehensive treatment of economic concepts and applications in tourism contexts Topics include tourism demand and forecasting tourism supply and pricing measuring the impacts and benefits of changes in tourism demand tourism investment and infrastructure tourism taxation aviation tourism and the environment including climate change and destination competitiveness The text provides an excellent basis for students to appreciate the relevance of economic analysis to the solution of real life tourism issues and as an input into tourism policy formulation Peace Research Peter Wallensteen, 2013-03-01 Comprising essays by Peter Wallensteen this book presents an overview of the thematic development of peace research which has become one of the most dynamic and innovative areas of war and conflict studies Peace research began in the 1950s when centres were formed in the USA and Europe and today there are research institutes and departments on every continent with teaching and research programs in most countries and peace researchers contribute to the development of international studies development research and security analysis Prof Wallensteen has been a witness to much of this since forming the Department of Peace and Conflict Research at Uppsala University in the late 1960s and this book brings together thirteen of his articles with five new essays in one volume The book presents articles on such key issues in peace research as the causes of war conflict data conflict diplomacy non violent sanctions and third party diplomacy In this way it demonstrates how basic research can be conducted in fields often seen as unresearchable and too complicated to deal with This volume shows that it is a matter of developing definitions creating valid measures and finding ways of collecting information recognising that innovations of this kind require supportive research environments Furthermore the results are not only useful for the growth of research activity itself but for finding ways of dealing with actual conflicts Thus attention is also paid here to conflict prevention peace agreements sanctions and third party activity for preventing and ending armed conflict and building a lasting post war peace This book will be of great interest to all students of peace studies conflict resolution war and conflict studies development studies and IR security studies in general

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2015-02-18 *Gangs in America's Communities* offers a comprehensive up to date and theoretically grounded approach to gangs and associated youth violence Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs transnational as well as prison gangs and the distinctions between these arguably different types national trends in gang presence and gang related violence across American cities distinguishing attributes of serious street gangs and myths and realities Students and instructors will benefit from the Second Edition's comprehensive treatment of the state of the literature on individual level causes and consequences of gang membership Going beyond the traditional topics covered in most texts in the market this book uniquely describes specific gang patterns

trends and cultures within a group based structure while illuminating the most promising avenues for reducing the presence and seriousness of gangs in American communities Leading and Managing in Nursing - Revised Reprint - E-Book Patricia S. The post-crisis Irish voter Michael Marsh,David M. Farrell,Theresa Reidy,2018-08-31 This is the definitive study of the Irish general election of 2016 the most dramatic election in a generation which resulted in the worst electoral outcome for Ireland s established parties the most fractionalized party system in the history of the state and the emergence of new parties and groups These outcomes follow a pattern seen across a number of Western Europe s established democracies in which the deep crisis of the Great Recession has wreaked havoc on party systems The objective of this book is to assess this most extraordinary of Irish elections both in its Irish and wider cross national context With contributions from leading scholars on Irish elections and using a unique dataset the Irish National Election Study 2016 this volume explores voting patterns at Ireland s first post crisis election and it considers the implications for the electoral landscape and politics in Ireland

Political Protest and Social Change C. Andrain,D. Apter,1994-12-19 This book probes three issues about the linkage between political protests and social change First why do individuals participate in protest activities including nonviolent movements and revolutions How do cultural beliefs sociopolitical structures personal attitudes motives and perceptions shape the decision to participate Second why do participants choose certain tactics Protesters use different types of tactics violent vs nonviolent public vs covert organized vs spontaneous and confrontation vs accommodation with other groups political parties and government agencies Most activists view a particular tactic as a useful means to attain their policy demands Third what policy consequences emerge from the activities of protest movements The book explores the impact of protests on social change and on the distribution of political power particularly greater access of subordinate groups to government policymakers A theory of political opportunities helps explain these issues about the origins activities and outcomes of protests

Political Protest and Social Change Charles F. Andrain,David Ernest Apter,1995-09 At the close of the twentieth century political protests have erupted throughout the world While the collapse of communism was certainly one of the most spectacular protest related events smaller protests have become ubiquitous In Los Angeles labor activists campaign against commercial real estate owners to unionize janitors mainly Latina immigrants In the People s Republic of

China peasants revolt against tax collectors Amazonian Indians protest public and economic policies that destroy their culture and rainforest habitat This book analyzes the reciprocal impact of cultural beliefs sociopolitical structures and individual behaviors on protests throughout the world Why do individuals participate in protest activities How do cultural beliefs personal attitudes and subjective perception influence the potential protester Addressing the issue of agency in protest the authors also examine why protestors enlist different tactics to achieve their goals Why are some protests violent and others nonviolent When and why do activists conclude that it is better to accommodate than confront Finally and crucially what are the consequences of protest movements Kashmir in Comparative Perspective Sten

Widmalm,2014-04-08 This book investigates the factors that led to the breakdown of democracy and the rise of violent separatism in Jammu and Kashmir in the 1980s and how the risk of a large scale war has grown in South Asia in the 1990s Solutions to this conflict need to be based on knowledge about what caused it as well as perspectives on why this conflict is so particularly dangerous Widmalm offers answers in this book with systematic comparisons over time to establish the causes of the conflict He refutes the contention that ethnic factors are the main cause while acknowledging that ethnic dividing lines are salient features of the conflict today Interviews with representatives of the Indian government the ISI in Pakistan and separatist leaders in Jammu and Kashmir are also incorporated **Encyclopedia of the Palestinians** Philip Mattar,2005
