Shandell, Fredrick A. Schulman, Patricia Smith, 2018-09-28 The Preparation and Trial of Medical Malpractice Cases treats a case as a continuous

process from interviewing the client to closing argument. It offers comprehensive coverage of the questions surrounding health maintenance organizations including case law on the right to sue an HMO as well as its participating physicians. You'll find discussion of how to recognize a meritorious case, the doctrine of alternative liability, the evidentiary value of FDA approval or non approval, the continuing treatment doctrine, state statutes regarding motion practice, malpractice liability of alternative medical practitioners, the admissibility of evidence comparing physicians' risk statistics to those of other physicians, use of expert testimony to establish *res ipsa loquitur* in negligence, the modified standard of proximate cause when a physician's negligence exacerbates a patient's existing condition, violation of the duty to disclose information, contributory negligence in informed consent, distinguishing between medical malpractice and ordinary negligence, liability of nurses and more. Appendices demonstrate how to analyze a medical brief, depose and examine the defendant physician and elicit testimony from your own expert witness. Also included are a sample Bill of Particulars, a sample jury charge and a list of Web sites to assist your medical research.

Sports Law Handbook William Glover, 2009-03. The Sports Law Handbook examines sports and its relationship to various areas of law as well as the legal liabilities and responsibilities of coaches, administrators, managers and institutions that have a relationship to the sports field. This book:
