Lord Black:

The Last President Paul Robert Howell, An addictive adrenaline pumping political thriller that asks the question Is this the end of America An exhilarating adventure that masterfully combines history world politics Bible prophecy and pulse pounding suspense Fans of Dan Brown will love The Last President David Barry This is a highly addictive book that had me turning pages past my bedtime I read this book because I loved Paul s last book Babylon the great Highly recommended and cheap on kindle Amazon Review This riveting political thriller will have readers on the edge of their seats as they read a plausible scenario whereby the United States could lose its power and position in the world British born JOHN BLACK has always had his eyes set on the American presidency He is linked to a European based secret society committed to the goal of a Euro centric New World Order The group is comprised of many of the most influential political business and religious leaders in the world and has unlimited financial and technological resources Fortuitously the previous US administration has repealed the legislation requiring presidential candidates to be American born American ascendancy can now be undone subversively The CIA arrive at the conclusion Congressman Black may be part of a subversive plot to undermine American sovereignty The only question is Will anyone be able to prove this theory before the Presidential election and now time is running out as the clock counts down to what may be the election of the last President of the United States as we know it
