## **Lord Given Lovers The Holy Union Of David And Jonathan:**

Lord Given Lovers Christopher Hubble,2003-10 The Holy Union of David and Jonathan is a provocative biblical story of passion and political intrigue LGBT readers will discover a story that will help them find self acceptance and constructively challenge the prejudice of religious homophobes David and Jonathan formed a magnificent and beautiful partnership that they apparently intended to last for a lifetime Theirs was a loving and committed relationship The failure of our culture to recognize the intrinsic divinity of homosexuality and the sanctity of our relationships is the central dilemma challenging lesbian gay bisexual and transgendered people Our society s civil morality is informed by the religious mores of our culture A redefined cultural and societal understanding of same sex love derived from and supported by the Bible a widespread knowledge of the holy union of David and Jonathan will have a profound impact on the long term success of our justice movement

**The Love of David and Jonathan** James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

## **Book Review Index**

**Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

**Jacob's Wound** Theodore W. Jennings Jr.,2005-06-08 The very suggestion that there may be homoeroticism in Hebrew narrative may seem odd given the supposition that the religion and culture of ancient Israel resolutely opposed same sex erotic relationships The apparent prohibition of homosexuality in Leviticus and the story of Sodom from Genesis have been made to speak for the whole Hebrew Bible The oddity of this situation has not been lost on some interpreters who have recognized that the story of Sodom tells us no more about attitudes toward what we call homosexuality than the story of the rape of Dina tells us about attitudes toward heterosexuality Prof Jennings says that the well known eroticism of the Hebrew Bible is not confined to heterosexuality but also includes an astonishing diversity of

material that lends itself to homoerotic interpretation In Part one Jennings examines saga materials associated with David It is no innovation to detect in the David and Jonathan s relationship at least the outline of a remarkable love story between two men What becomes clear however is that the tale is far more complex than this since it involves Saul and is set within a context of a warrior society that takes for granted that male heroes will be accompanied by younger or lower status males Thus the complex erotic connections between David and Saul and David and Jonathan play out against the backdrop of a context of heroes and pals The second type of same sex relationship explored has to do with shamanistic forms of eroticism in which the sacral power of the holy man is both a product of same sex relationship and expressed through same sex practice This section deals with Samuel and Saul and Elijah and Elisha These are not warriors but persons whose sacral power is also erotic power that may find expression in erotic practices with persons of the same sex The third type of same sex relationship discusses we now call transgendered persons especially males and their erotic relationship to other males Here the book explores the transgendering of Israel by several prophets who use this device to explore the adultery and promiscuity that they wish to attribute to Israel as well as the story of Joseph

[Treatise on the Love of God](#) St. Francis de Sales,2013-08-20 [Treatise on the Love of God](#) is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales Treatise is a captivating depiction of love

Saint Francis de Sales,Aeterna Press,2017-05-28 THE following Treatise presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and

whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant so shallow and so unthinking as is our own with regard to spiritual truths there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press     *Holy Hustle: A Bible Parody* Ward Ricker, 2019-06-08 The entire Holy Bible rewritten as parody The history poetry gospels prophets of the Old Testament letters of the New Testament the entire thing rewritten to make you laugh as it points out the lunacy immorality and horror of the good book Audacious sacrilegious blasphemous scandalous but most of all hilarious as long as you are not one who takes this book of mythology seriously You may learn more about the Bible by reading this version than by reading the original     **Falling in Love with God** ,2007-06 An Adaptation of the Introduction to the Devout Life for Young People French Oblate of St Francis de Sales Michel Tournade writing originally in his native French has ADOPTED the personal approach of his mentor and spiritual director St Francis de Sales in writing to today s young adults He follows the thoughts of DeSales classic writing Introduction to the Devout Life which has never been out of print since its first publication in 1609 Francis de Sales 1567 1622 a contemporary of William Shakespeare Galileo and St Robert Bellarmine was Jesuit educated with a doctorate in both civil and church law At the age of 35 he became the Bishop of Geneva and spent 20 years reforming clergy and parishes advocating education and the call to holiness for everyone especially the laity There is reason to believe that Francis wrote more than 10 000 letters of spiritual direction to men women lay and religious 2500 of which we have access to today In both his Introduction to the Devout Life and Treatise on the Love of God he writes so personally as if addressing a friend It is exactly this style that Fr Tournade brings to Falling in Love with God allowing Francis to once again speak to today s young audience     **The first sermons preached by ...
